I served at Mobile, Blakely and Spanish Fort. I was in no regular engagement, but was on duty regular for eight months. My regiment was captured at Spanish Fort, while I was in hospital at Lauderdale Springs, Miss., I was furloughed from there and went home, where I was captured by the 2nd N.Y. Cavalry and paroled.

For the truth of the above statement, I can refer to J. L. Bentley and J.T. Boggus, both of whom are members of R.E. Lee Camp.

Respectfully,
