Mr L. De Bona

Eagle Pass, Tex.

Dear Sir

In reply to your
favor of 14th inst we wired
to you today: "Fifty two cents
per bushel delivered. Imme-
diate acceptance." which we
now confirm. The freight
from this place to E. P. is
now 33¢ for 100 lbs in car lots
and milling corn is still very
scarce yet on account
of "cotton picking"

Yours truly
