Mr. S. De Bona
Dear Sir -

Please send one barrel of potatoes and half a box of lemons. Should you have very fine lemons just now, then you may send a whole box. Forward this order at once to Mr. J. W. Riddle and address all letters and orders to Mrs. H. M. Duffenbach. As I have mentioned some time ago, it puts me to a great deal of inconvenience to have my letters addressed to Mr. Duffenbach.

Yours truly

Mrs. H. M. Duffenbach
