A photograph of a granite gravestone for the Normand family in a cemetery. The stone is dark granite with a light-colored band across the top. The name 'NORMAND' is carved in a large, rectangular frame. Below it, two smaller rectangular frames contain the names and dates for George and Mary. The background shows other gravestones and trees under a clear sky.

1076 Grade Marked total.

Dear Lawrence and the Pleasant
Hill Cemetery Association

This last year the Major Robert M
White Camp of the Sons of Confederate
Veterans initiated a survey of
Confederate and Federal veterans graves.

We surveyed the Pleasant Hill
Cemetery in the fall of 2003. The survey
developed two lists. List no. 1
included the marked veterans
graves. 8 Confederate and 1 Federal.
The second, list no. 2 included
all of the men born between
1801 and 1849. These men would have
been eligible for service in the armed
forces of the Confederate, Federal or
state governments between 1861-1865.
The survey of Pleasant Hill Cemetery
yielded 65 men in this category.

Of these men 10 were identified
as Confederate and 1 as Federal or
Union. The total graves surveyed
in Pleasant Hill Cemetery was 75.

16 of the Confederates were in companies
formed in Bell Co. or 88%.

In the next 12 months the Major Robert M. White Camp anticipates marking these veterans graves and dedicating them honorably and formally at the 2005 Pleasant Hill Cemetery Assoc in conjunction with the 150 year celebration of Pleasant Hill Cemetery.

Best wishes from the Major Robert M. White Camp of the Sons of Confederate Veterans.

And with kindest regards,

Recky Jim Sprott
Graves Committee Chair
Maj. Robert M. White Camp #1250-
Sons of Confederate Veterans.

The Pleasant Hill Cemetery is near Nolanville, Bell County, Texas. This list is generated from field notes made in 1969, and should not be relied upon for the most current information. As a project of the Bell County Historical Commission, County cemeteries are being re-inventoried and lists such as this one are being updated in doing so. As the computer list is prepared from a photocopy of a list that was typed from field notes which could have errors in field observations, researchers should be careful about relying on this information for other than perhaps leads. Caution is advised, but it is hoped that researchers may be helped by it, as the intent is to provide the best information that volunteers can provide. Corrections, changes, additions or additional information is welcomed, and will be considered for inclusion with the next update.

This list is from BELL COUNTY TOMBSTONE RECORDS, Vol 1 of 2, and is used by permission of the West Bell Genealogical Society and Bell County Historical Commission. These volumes contain some 64 cemeteries of Bell County, and will be converted to computer format a few at a time.
