Dear Mother  
yours dated 9/19 at hand a day or  
two ago. and I gl ad indeed as I am at  
length to hear from you. and very ~~soy~~ <sup>very</sup> indeed that  
financial matters could have not been so  
arranged as to allow Anna to have stand <sup>with</sup>  
you. You no doubt get along so much better  
with her assistance - my how the time  
and years roll by and to think you will be  
79 years of age day after to morrow - it is

letter would be at that time speeding its  
way toward you. I am glad to learn  
from your letter that Emma is faring  
or much better she truly is a piece of  
true steel and good machinery - there is  
not one in a hundred that would stand  
up as she does under the <sup>Conditions</sup> -  
my health and appearance is very  
good and if the business outtook me  
one half as good I could sleep easier  
nights and get some enjoyment out  
of life - wishing you many happy  
of the day 26<sup>th</sup> Devotedly yours <sup>reluctant</sup> Samuel
