3.5" PRACTICE ROCKET COMPONENTS

1. The following information is quoted for the information and compliance of all concerned:

a. In compliance with letter, Headquarters Fourth Army, AKAOR 471/132 25 November 1952, Subject: "Salvaging Metal Components for 3.5" Rocket, Practice, M29A2," fired 3.5" Practice Rocket Components will be turned in to the Post Ordnance Officer for disposition.

b. Inasmuch as it is not desirable for unqualified personnel to handle these components, the following procedure will be followed by all personnel concerned:

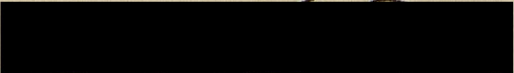

- (1) Prior to firing 3.5" Practice Rocket, the 551st Explosive Ordnance Detachment (Telephone 2406) will be contacted to insure that qualified personnel supervise the range police upon completion of firing.
- (2) Units firing the 3.5" Practice Rocket will furnish the EOD officer with an adequate detail. The detail will be permitted to confer with the EOD officer in advance for at least one (1) hour to insure that personnel are properly oriented in their duties.

2. Above instructions extracted from Daily Bulletin No. 73, Headquarters Fort Hood, dated 16 April 1953.

OFFICER'S AND WARRANT OFFICER'S NAMEPLATES

1. General: Due to the fact that wide personnel contact among all Officers and Warrant Officers of the Division is possible only during annual Field Training, all Officers and Warrant Officers will wear nameplates during the Field Training period 1953.

2. Type and Purchase Sources:

a. Nameplates will be the clutch back fastener type, tan cowhide, 2 3/4" wide. Approximate cost \$0.25 each.

b. These nameplates may be purchased from either of the following sources:

(1) Book Dept, The Armored School, Fort Knox, Kentucky

(2) Reveille Uniform Company, 627-629 Delaware, Leavenworth, Kansas

3. Name Cards and Size Type: The last name only will be printed for each Officer and Warrant Officer on white background. Size type will be black 24 point, Century condensed capitals, bold face. Rank and initials will not be printed. Hand printed name cards will not be used.

4. Location of Nameplates: The nameplate will be worn as illustrated below on the left shirt or blouse pocket.

5. Control: It is requested bulk purchases by CO ea Regt, CO ea FA Bn, CO ea Sep Bn and Sep Co be made. A single source of printed names should be utilized thus ensuring uniformity of name tag holders and names.

e. Camp ration breakdown will be made by 36th Div QM Co to organizations.

2. Class II.

a. Complete M1937 field ranges will be taken to camp for each mess to be operated.

b. Hot food containers, water cans, GI Cans, immersion heaters, lister bags, bread boxes and vegetable bins will be brought to camp on an operating mess basis.

c. Pots, pans, and utensils from the M1937 field range will be used in the garrison type mess halls at N Ft Hood. No special issue of pots, pans, or griddles will be made.

d. Individual Equipment.

(1) Sufficient steel helmets will be brought to Camp by major commanders to equip each member of a pit detail with one.

010800 May 1953

- (2) All individual clothing and equipment as authorized by TA 21-1 and all individual organizational equipment authorized by T/O & E will be taken to camp by each individual.
- (3) All clothing and equipment will be drawn before departure from home station. No issue will be made during the Field Training period as no stocks will be maintained at N Ft Hood.
- (4) Replacement items of organizational equipment will not be available.
- (5) Expendable supplies:

- (a) Units will carry full allowances of expendable office supplies to Ft Hood as no additional supplies of this type will be available.
- (b) The Division QM will issue housekeeping supplies on automatic issue to advance detachments on arrival at N Ft Hood. Equipment such as hose, rakes, extra brooms, soap, etc, should be brought to camp if available at home station.

e. Quartermaster Supplies:

(1) Post, Camp and Station Property.

- (a) Mattresses, cots, and mattress covers will be issued in bulk to the 36th Div QM by USP & DO for redistribution to units.
- (b) Division QM will clear Post, Camp and Station property with the USP&DO prior to departure from camp.

3. Class III Supplies.

a. At Ft Hood, Class III supplies will be issued in bulk and stored in underground storage tanks near unit motor pools.

b. Enroute to Ft Hood. The USP&DO will provide sufficient gasoline at unit home stations to fill all vehicle tanks. This will be on contract basis and bulk issue. Trucks will then be refueled at refueling points along the route of march to be located in the following towns. Exact location of refueling point will be announced later:

Abilene
Cameron
San Antonio

c. Enroute from Ft Hood. Vehicles will be filled at Ft Hood and refueled as described in par b, above.

d. In extreme cases, where sufficient gasoline cannot be carried in gas cans to move a vehicle to a refueling point, the USP&DO may issue a courtesy card provided full justification is set forth. Any such request must reach USP&DO fifteen (15) days prior to unit departure for camp.

4. Ordinance Supply.

a. Ammunition will be drawn by organization through the Div DAO from ASP, Ft Hood, Texas.

b. Target materials will be furnished by Ft Hood to units.

c. Vehicles, weapons, fire control instruments:

- (1) No combat vehicles will be taken to Ft Hood. Necessary combat vehicles will be shipped to Ft Hood under direction of USP&DO. This will involve the 155MM Howitzers. Organic artillery (105MM) will be towed to camp with motor columns.

- (2) Special purpose vehicles as are needed during Field Training will be taken to Ft Hood.
- (3) All serviceable general purpose vehicles will be taken to Field Training site.
- (4) Basic loads of spare parts on hand in units will be taken to camp.
- (5) Fire control instruments will be taken to camp.
- (6) Each unit will bring to camp adequate supply of WD AGO Forms 811 and DD Forms 110.

5. Signal Supplies:

Signal equipment and spare parts on hand will be taken to camp by units. A small amount of signal expendable supplies will be available for issue through Signal Supply Officer, 36th Inf Div.

6. Medical Supplies:

Expendable medical supplies will be issued to the following units by the Division Medical Supply Officer at Ft Hood.

Med Co, 141st Inf	Med Det, 111th Engr Bn
Med Co, 142nd Inf	Med Det, 136th Tank Bn (M)
Med Co, 143rd Inf	Med Det, Div Hq 36th Inf Div
Med Det, 36th Div Arty	Clr Co, 111th Med Bn

Units will draw expendable medical supplies from their respective Medical Company or Detachment. For procedures in accounting for narcotics, ethyl alcohol and barbituates, see par 51, SR 130-420-1, 21 Nov 1949. No deviation from this procedure will be made.

Units will bring to camp all snake-bite kits on hand in the unit as these items are in extremely short supply.

7. Engineer Supplies:

Engineer heavy equipment will not be taken to Ft Hood. Expendable Engineer supplies will be issued to organizations through Engineer Supply Officer, 111th Engr Bn.

8. Training Aids:

Training aids to support the unit training schedules will accompany units to Ft Hood.

9. Maps:

Units draw from 111th Engr Bn on arrival at Ft Hood.

10. Water:

Obtain only from Ft Hood sources or Engr Water Points.

11. Salvage:

Salvage property which has been classified as such by Army Instructor may be turned in at Field Training by prior coordination with USP&DO.

II. EVACUATION AND HOSPITALIZATION.

A. PRIOR TO DEPARTURE FROM HOME STATION:

1. Immunizations

All units are required to complete immunizations prior to departure from home station. Those few expected incompleted cases will be listed by units and reported to the Division Surgeon immediately upon arrival at Ft Hood. It will be the responsibility of the units concerned to bring the vaccines to camp.

010800 May 1953

2. Physical Examinations

Each unit will certify to the Commanding General 36th Inf Div, (Attn: Division Surgeon) upon arrival at camp, that all personnel have been physically examined for diseases and injuries prior to leaving home station. Under no circumstances will any personnel arrive at camp with diseases or injuries that will prevent performance of general duty.

3. Annual Physicals

Complete on all officers and warrant officers at camp.

B. ENROUTE TO AND FROM CAMP:

1. U.S. Army Hospital, Ft Hood, Texas, will support the Advance and Rear Detachments.

2. Each unit will furnish medical service with organic medical personnel whenever possible.

3. First Aid equipment will be carried on Advance and Rear Detachments, ready for use.

4. Convoy or train commanders will be responsible for assuring medical service and dissemination of such information to their commands.

5. For sickness or accidents while enroute, the following procedures will be observed.

a. Medical Officers and/or medical personnel within the convoys or trains will be responsible for rendering first aid.

b. If further treatment is necessary, the patient will be evacuated to the nearest Government Hospital, with a signed authorization slip, in duplicate, for admittance (Annex 1).

c. Depending upon the extent of injury or disease, National Guard personnel may be taken to the nearest civilian hospital for further treatment. Civilian hospital authorities will be furnished a completed copy of the authorization slip for admittance, and WD AGO Forms 8-9 and 8-10, in triplicate showing the injured person's name, rank, service number and organization, with instructions to submit these forms to The Adjutant General of Texas, Austin, Texas, with an itemized statement of the charges. The hospital will be informed of the fact that when any member of the National Guard is entitled to medical or hospital treatment at public expense, charges are authorized, if such services are essential, as follows:

Room rent	X-Ray	Laboratory
Medical dressings	Special nurse	Operating Room
Ambulance	Laundry	

and the necessary medical, surgical, and other professional fees; in addition for Enlisted Men, subsistence at all times; for Officers and Warrant Officers, subsistence when not entitled to pay. Immediately upon arrival at camp an investigation will be conducted under provisions of NGR 28 to establish Line of Duty status.

d. Attention of all commanders is directed to NGR 28, 1 Aug 1950. Cases of illness or injury, regardless of the degree of seriousness, should be made a matter of record. Responsible officers will appoint an investigating officer to investigate cases of this nature prior to departure for camp in order to establish Line of Duty status of the individual concerned. It is imperative that this Line of Duty status be established because all hospitalized National Guard personnel are hospitalized on a reimbursable basis to the Government agency by the National Guard Bureau.

e. Each convoy commander, train commander and/or medical officer will carry a copy of this plan, along with necessary forms, ready for reference.

C. MEDICAL SERVICE AT FT HOOD:

1. The following units of the 36th Infantry Division will operate a Dispensary for the units indicated:

Med Det, 36th Inf Div	-- --	Div Hq Sep Cos and 736th Ord Bn
Med Det, 36th Div Arty	-- --	All Artillery Units
Med Co, 141st Inf	-- --	141st Inf Regt (111th Engr Bn attached for personnel needing MC attention)
Med Co, 142nd Inf	-- --	142nd Inf Regt (136th Tank Bn attached for personnel needing MC attention)
Med Co, 143rd Inf	-- --	143rd Inf Regt
Clr Co, 111th Med Bn	-- --	111th Med Bn
Med Det, 111th Engr Bn	-- --	111th Engr Bn
Med Det, 136th Tank Bn	-- --	136th Tank Bn (M)

2. Personnel that require hospitalization will be evacuated by the 111th Medical Bn from the Unit Dispensary to the Division Clearing Station, accompanied by an Emergency Medical Tag, either by request of the Dispensary, or on a regularly scheduled pickup. Personnel evacuated to the Division Clearing Station will be held at the discretion of the Commanding Officer, 111th Medical Bn, and if further treatment is necessary, the patient will be evacuated to the US Army Hospital, Ft Hood.

a. Under no circumstance will personnel be evacuated to the US Army Hospital, Ft Hood, except in an emergency, by personnel other than the 111th Med Bn. If personnel is evacuated to the US Army Hospital for emergency reasons, the unit dispensary will notify the Division Clearing Station, giving name, rank, service number, organization, and diagnosis. All emergency cases will be accompanied by a Medical Officer to the hospital.

b. The only unit that will pick up released personnel from the US Army Hospital, Ft Hood, will be the 111th Med Bn. Personnel released from the Army Hospital will be returned to duty through the Division Clearing Station. There will be scheduled pickups from the Army Hospital, and hospital authorities have been requested to release patients only to 111th Med Bn.

3. Each unit operating a dispensary will submit the following information to the Division Surgeon daily, no later than 0800 hours for the preceding 24 hours:

- a. Number on sick call
- b. Number returned to duty
- c. Number evacuated to Division Clearing Station

4. The Division Clearing Station will submit the following information to the Division Surgeon daily, no later than 0800 hours for the preceding 24 hours:

- a. Number patients received
- b. Number patients in Clearing Station
- c. Number in Ft Hood Army Hospital
- d. Number returned to duty
- e. The Division Clearing Station will submit to the Division Surgeon daily an Admission and Disposition Report for the preceding day.

5. Personnel evacuated to the Clearing Station will bring mess gear and toilet articles.

6. Brief narratives of accidents or unusual sickness among personnel with corrective measures taken for prevention will be submitted to the Division Surgeon. Unusual accidents or illness will be reported to the Division Surgeon by telephone immediately. When any patient with serious illness or injury is evacuated to the Division Clearing Station or US Army Hospital, a medical officer will accompany the patient.

D. EVACUATION:

1. It is not anticipated that sufficient ambulances will be available for all firing ranges, therefore ambulance loading posts and ambulance relay posts will be established by the Commanding Officer, 111th Med Bn to properly service all units of the Division.

2. There will be scheduled pickup times of patients from all dispensaries (0900 daily), and at all times ambulances will be available at the Division Clearing Station to care for all emergency cases.

E. SUPPLY:

1. Medical supplies will be obtained on DA Form 447 (triplicate) from the Division Medical Supply Officer, 111th Med Bn.

2. Narcotics, barbituates, and ethyl alcohol will be requisitioned on separate Form 447. The above items will be accounted for in accordance with SR 130-420-1, 21 November 1949.

3. No prophylaxis of any type will be available. Mechanical prophylaxis will be purchased by the individual or through the Unit Funds. The attention of all commanders is invited to AR 40-210 for the prevention of venereal and communicable diseases.

F. SANITARY INSPECTIONS:

Each unit is responsible for periodic sanitation and mess inspections. Inspections will be conducted by the Division Medical Inspector. Food Handlers and Mess Personnel will be inspected in accordance with existing directives.

G. DENTAL SERVICE:

Emergency dental service will be available at the Division Clearing Station, and at the US Army Hospital, Ft Hood, Texas.

H. BURIAL:

The USP&DO will be responsible for preparation and disposition of remains of National Guard personnel who die enroute to or from and during Field Training.

I. MISCELLANEOUS:

1. Poison oak, poison ivy, and poisonous snakes are prevalent at Ft Hood during the summer. Unit commanders and Medical Officers will warn and take preventive measures to protect all personnel.

2. All Medical Officers will report to the Division Surgeon no later than 1700 hours on date of arrival.

3. All personnel that wear glasses should bring two (2) pair of glasses and a copy of oculist's prescription to camp. This will expedite the repair of glasses and not interrupt the individual's training.

4. Attention of all commanders is directed to the proper and only correct way of entering names in the Sick Book (SR 345-415). The Sick Slip, if prescribed, will be used in lieu of Sick Book.

III. TRANSPORTATION.

A. Detachment and Main Body Movement Schedules: See Annexes 2,3,4,6,7,8.

B. Only baggage trucks will move in tent areas and will remain on road shoulders while unloading impedimenta.

C. USP & DO will furnish TR's on rail troop movements and GBL's for rail movement of baggage. Impedimenta will move with motor detachments. Baggage will accompany troops.

D. Movements from armories to entraining point at home stations where distance is too great for marching will be handled as follows:

1. Senior Commander in each town who needs commercial transportation to transport troops and equipment from the National Guard Armories to the site where railroad equipment is spotted may use a commercial concern in the following manner:

a. Obtain approval from the Commanding General of the 36th Inf Div who will determine whether the request is justified.

b. If approval is granted by the Division Commander, the troop commander may contact a local bus or drayage company to perform the transportation.

c. Advise the USP&DO of the name of the concern, number of troops to be transported, point of origin and destination.

2. The USP&DO will issue a TR to cover in the case of troops and a B/L to cover in the case of equipment hauled by a drayage company. In cases of drayage, the weight of articles boxed or crated to be transported must be given at the time the request for Bill of Lading is submitted.

3. Commanders are cautioned that only in rare cases where there are no other Government agencies available should commercial means of transportation be used.

E. Train and detachment commanders whose time of arrival at Ft Hood is delayed more than three (3) hours will report by telegram collect to AG Texas, N Ft Hood, Texas, estimated time of arrival.

F. Major commanders (Div Arty, Regts, Sep Bns, Sep Cos) will report closing of their units to Headquarters 36th Infantry Division, AG Section, N Ft Hood. Advance detachment commanders will report closing of their detachments to Hq, Advance Detachment, 36th Inf Div, N Ft Hood, Texas.

IV. SERVICE.

A. Utilities: Maintenance beyond repair capability of using unit will be reported to Division Engr, 111th Engr Bn.

B. Ordnance:

1. Ordnance support will be provided by 736th Ord Bn.

2. Small arms and artillery maintenance will be provided on ranges by teams of armament personnel from 736th Ord Bn and State Maintenance Office.

C. Laundry Service:

1. Organizational laundry by organization and separate companies on cooks' whites only. Forms will be drawn from Div QM.

ADMINO 1

AMMUNITION SUPPLY FOR FIELD TRAINING 1953

1. Chemical Ammunition: All items of chemical ammunition will be drawn at the Post Chemical Supply Office, South Ft Hood, on Transportation Orders (WD AGO Form 581) in five (5) copies.
2. Training Ammunition: Where the term "Ammunition" is used it will be construed to include all ammunition, explosives and pyrotechnics used for training and operational requirements.
3. Preparation of Transportation Orders:
 - a. Transportation Orders (WD AGO Form 581) will be prepared as shown on Incl #1. (Issued down to Bn and Sep Co level only.)
 - b. The complete authority for expending ammunition in training will be listed on each transportation order including the paragraph (405) and line number TA 23-100.
 - c. Form 581 may be obtained from Division Ammunition Officer.
 - d. The Division Ammunition Officer will submit to the North and South Ft Hood Ammunition Supply Point Office a list of persons authorized to sign his name in his absence.
4. Issue Procedure:
 - a. Each unit will be issued ammunition on properly prepared WD AGO Form 581 submitted to reach the ASP in four (4) copies. Transportation Orders will be approved by Division Ammunition Officer for division units in order to reach the Ammunition Officer before 1000 hours three (3) days prior to the desired date of the issue. Requirements for the first three days of training must be submitted ten (10) days prior to summer Field Training. Mail Transportation Orders requesting required ammunition to: DAO, Hq Det 736 Ord Bn, 646 S Main Ave, San Antonio, Texas, to arrive no later than 15 June 1953.
 - b. The ASP will assign the time and date of issue to each WD AGO Form 581 submitted. One copy of this form will be returned to the unit initiating the request with the time and date noted thereon.
 - c. Issue of all types of ammunition will be made from the ASP at North Ft Hood except Rocket Ammunition. A separate WD AGO Form 581 will be prepared for ammunition which is to be drawn from the North Ft Hood ASP and the South Ft Hood ASP.
 - d. The Ammunition Supply Point will be open for receipt and issue Monday through Friday, 0700-1530. Each unit will furnish sufficient personnel to load the ammunition issued.
5. Priority of Issue and Use of Training Ammunition: Ammunition is issued by the ASP in compliance with paragraph 107, AR 775-10, and technical publications pertaining to ammunition. In all cases where small and large lots are issued, the smaller lots will be expended before firing is started on the larger lot.
6. Summer Field Training Ammunition Report: The Division Ammunition Officer will submit to USP&DO a consolidated report at the conclusion of training on DA AGO Form 580-1 through 12. The report will list the Credits Requested, Credits Allocated, Ammunition Issued, Ammunition Expended, Ammunition Turned-In and the Credit Balance, as shown on Incl #2. The report will be submitted in six (6) copies before departure for home station.
7. Turn-In of Ammunition:
 - a. All turn-in slips will contain the following certificate.

"I certify that the above is a residue of Transportation Order No. ____."

b. Serviceable Ammunition.

(1) Turn-in of serviceable ammunition will be in accordance with paragraph 97b (1) and 97b (2), TM 38-403 with the following additions:

(a) A certificate as follows will be placed in the inside and outside of each packing container that has had the original seal broken:

"I certify that contained herein are _____
(No of Rounds)
of _____ ammunition lot number _____
(Correct AIC Symbol)
_____ in serviceable condition and correctly repacked and were drawn on Transportation Order No. _____.

(Name)

(Rank and Organization)

(b) Any ammunition, other than small arms, that has been opened will be repacked in the original container as drawn. The lot number of ammunition and the lot number on the container must agree.

(c) All small arms ammunition turned-in will be repacked in boxes with the lot number of the ammunition. Lids will be in place and securely fastened with thumb screws where applicable.

(d) Lot number and quantity in each lot will be listed on the turn-in slips.

(e) All serviceable ammunition will be turned-in at the ASP, North Ft Hood, on WD AGO Form 447, in five (5) copies.

c. Unserviceable Ammunition.

(1) All unserviceable ammunition will be turned-in on WD AGO Form 447 with the following certificate on the face thereof:

"I certify that the above listed items became unserviceable because _____ (Reason why ammunition is Grade 3 or unserviceable.) and were drawn on Transportation Order No. _____.

(Name)

(Rank and Organization)

(2) All ammunition that becomes unserviceable through other than fair wear and tear (i.e., lost identity, damaged in vehicle accidents, etc.) will be covered by a Report of Survey.

d. No summer field training ammunition will be taken to home station.

8. Salvage Ammunition Components and Packing Materials:

a. All salvage will be turned in to the Ammunition Supply Point in compliance with paragraph 97b (2), TM 38-403 and paragraph 108, AR 775-10. The certificate placed on turn-in slips will include the voucher number assigned by the Post Ammunition Office in addition to that information required by paragraph 97b (2) TM 38-403. c. Tent housing assignments will be given Adv Det CO's on arrival.

8. Location Shop Area, 736 Ord Bn: Block 10,000 (18th St and Ave D).

9. Travel of Food Service School Personnel: One (1) $\frac{1}{4}$ Ton vehicle per unit will be used to transport the Food Service Detachment from each company or battery. Personnel will report to Orderly Room, Hq Co, 100th Tk Bn (21st St and Ave C) on arrival. The AG Texas will issue confirming SO's on personnel actually present for the School.

10. Club Information:

a. The N Ft Hood Officers' Club will not require an advance locker membership request this year except from individuals who desire to purchase packaged goods. A courtesy card will be issued each officer which will authorize purchases of mixed drinks. Individual officers desiring locker memberships may apply to Club Officer, N Ft Hood, on arrival for necessary forms.

11. Early Arrival Officer Adm Assts: All Division Officer Administrative Assistants will report to CO Adv Det, Block 8900 prior to 1700 hrs 26 June 1953 for final briefing and orientation. Each Officer Administrative Assistant will request own travel orders.

12. Amend Par V. D. f. Ration Collection, as follows: A payroll deduction for rations consumed during camp period will be made on the basis of thirteen (13) days for each National Guard officer at the rate of \$1.20 per ration (3 meals) with the exception of those who are specifically authorized to mess at the officers field mess where meals are paid for in advance by the officers. Officers traveling with troops to and from camp will be issued "C" rations and a deduction will be made on the payroll at the rate of \$1.20 per ration. These deductions will be in addition to the 13 rations deducted during camp. Example: Due U.S. 13 rations at \$1.20 per ration. Due U.S. 2 "C" rations at \$1.20 per ration. Cash collections will be made for any meals furnished Regular Army or Reserve Officers during camp. The rates will be:

1 Ration (3 Meals)	\$1.20
Breakfast	.30
Dinner	.45
Supper	.45

Cash collected will be turned in to Division Finance Office prior to 2400 hours 10 Jul 53.

13. Motor Pool Reassignments: Due to the necessity for operation of an equipment maintenance pool by 1st Armored Division, the following adjustments in motor pool assignments are made.

a. Motor pool Block 5300: Will be occupied by elements 1st Armd Div.

b. Motor Pool for 736 Ord Bn, 111 Med Bn and 36 Rcn Co will be motor pool block 5500.

c. Motor Pool 141st Inf will be block 5700.

d. Motor Pool block 5900 will be utilized jointly as a civilian motor park by 141 Inf and 142 Inf.

050800 June 1953

14. Amend par 1, b, to read as follows:

	Field Ration	"C" Ration
One meal (Breakfast)	.30	
Two meals (Dinner)	.45	
Three meals (Supper)	.45	\$1.20

15. Advance Ration Requests: In order to assure adequate ration issues for the Division main body 28 June, it is requested the S-4's of each Regt, ea FA Bn and ea Sep Bn submit to the Div QM no later than 15 June 1953 a request for rations (by meals) for consumption 28 June 1953. This request will be sent directly to "36th Division QM, Rt 4, Box 291-D, Cp Mabry, Austin, Texas".

MEMORANDUM
NUMBER 6

3 July 1953

APPROPRIATE DUTY

1. General: The content of this memorandum will govern the performance of appropriate duty by Staff officers of the 36th Division where claims for Armory drill pay are made.

2. Remarks on Forms 1: The remark prescribed by par 49c, NGR 57, will be amended to read as follows:

Performed appropriate duty (date) in lieu of drill (date)
for no less than 2 hours as follows: (Explain nature of the actual duty performed).

3. Payroll Remarks: The above model remark for appropriate duty in no way affects the payroll remark heretofore prescribed, which is as follows:

Satisfactorily performed appropriate duty (list date of performance of each period of appropriate duty).

4. Command Responsibility: It is the responsibility of commanders who authorize the performance of appropriate duty to analyze the actual duties being performed so that at least one of the factors enumerated below is achieved.

First: Has the duty performed assisted the unit where the Officer drilled?

Second: Has the duty contributed something to the Officer's parent unit?

Third: Has the duty contributed to the Officer's professional ability to perform his staff duties?

5. Duration of Appropriate Duty Orders: Special Orders authorizing appropriate duty will be renewed or revoked as the individual staff officer's personal situation changes. In every case Special Orders issued in one fiscal year should be confirmed or renewed each fiscal year where the officer's personal situation remains unchanged.

SUBJECT: Schedule for Taking Pictures for Officers' ID Cards

TO: The Adjutant General of Texas
Capitol Station
Austin 11, Texas

1. Reference is made to ltr, your office, subject as above, dated 18 Mar 1953, and to 1st Ind, this Hq dated 19 Mar 1953.

2. After a careful re-study of the requirements for processing ID Cards for officers of this Division, it has become necessary to submit this request for a revision of the previous schedule.

3. The revised schedule is contained in Incl 1 hereto. It will be noted that processing is to begin at an earlier hour (1815 hrs) and that the number of personnel to be processed each night has been reduced. Thus, the processing teams are requested for the dates: 30 June; 1 July; 2 July 1953; instead of 29 and 30 June as previously scheduled. It would be helpful also for the teams to arrive early enough 30 June for a "practice run" to be conducted during the afternoon 30 June.

Q-1

Handling absentees?

Uniform?

We should require each O or WO to bring with him the info needed for the processing - that is - name, rank & serial no - especially the latter, because not all know their ser nos.
