The Members, Ad Hoc Members, and Staff of the Southwest Federal Regional Council extend a Hearty Welcome to Dallas....to all the Delegates and Guests of the 1976 National IMAGE Convention!

The Southwest Federal Regional Council has long been actively involved in, and supportive of, Federally-assisted programs and projects for the Spanish-Speaking Americans.

From our Regional Council has come the prominent and popular Sam Martinez. And, to our Council, to visit frequently, have come such distinguished Americans as: Fernando DeBaca, Phil Sanchez, and, Fernando Oaxaca.

Currently, very active with our Council are Ed Vela, Rick Montoya, and J. M. Villalobos, each of whom has distinguished himself by achieving a top Regional Leadership position in the Southwest, and, who aggressively and forcefully speaks out in our Council deliberations, for meaningful programs for the Spanish-Speaking American of the Southwest.

We're Glad You're Here!

## Dichos Populares

Sana, sana, colita de rana,  
tire un pedito para ahora y mañana.

Pon, pon.  
la manita en el bolsón.  
Saca medio pa jabón  
Pa lavarte tu calzón.

Allá está la luna, comiendo su tuna,  
tirando las cáscaras para su laguna.  
Allá está la estrella, comiendo saléa,  
Tirando pedazos para la azotea.

A las mujeres ni todo el amor, ni todo el dinero.

El que feo ama, lindo le parece.

Amor de lejos, amor de pendejos.
