Dear Sir:

The Records in Knox County show that for the years, 1903, 1904, & 1905 you paid the Taxes on lot No 1 in Block No 3, West Munday.

We beg to call your attention to the fact that this is the lot you sold to Mrs Julia C. Hart, Sept 8th 1901, by deed recorded in Vol 10 page 173 deed records of Knox County.

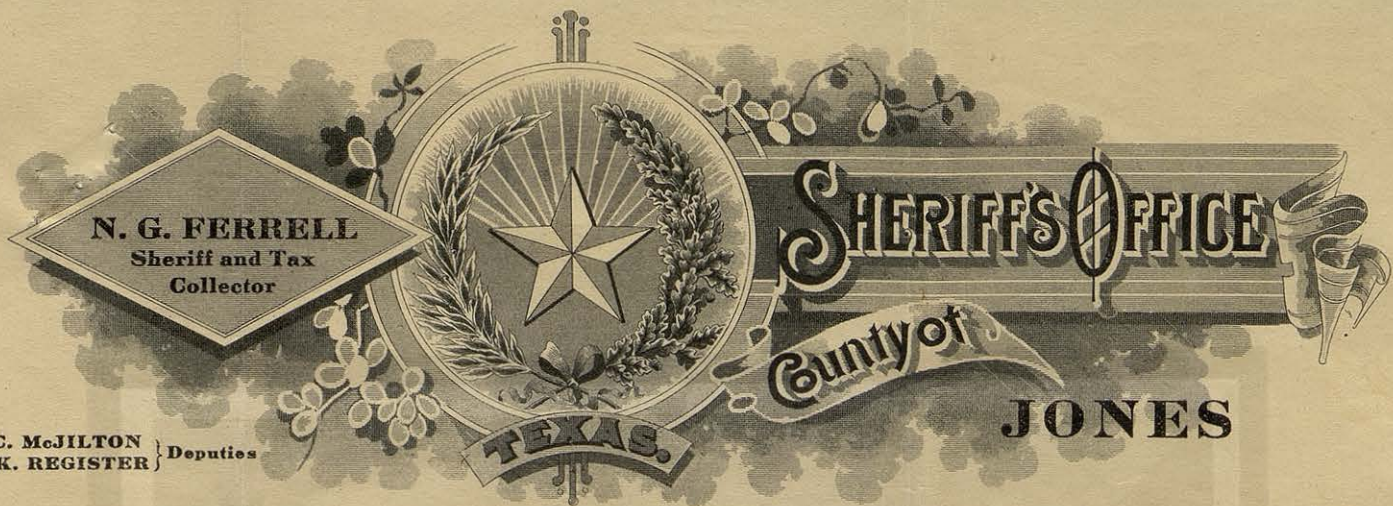

This was doubtless a mistake in rendering your property, and we call your attention to the matter in order that you might correct your rendition and therefore save your money in the future.

Mrs Hart owns this property and is rendering same for Taxes.

My dear Julia:-

Have just this minute located the photographer, who made Vernon's pictures. I would send you my own copy, but love it too much, to give up.

Sanctus Studio had just this noon, received a letter from the "Light," asking for Vernon's picture and your note, on the bottom. Strange, wasn't it? The Light is our principle evening paper, and I gave the picture & notice to the Express (first morning paper) when the news reached me.

I am enclosing a card, from the Clerk in Sanctus Studio, who waited on me. As she understands all about it, now, and looked up the negative for me, you had better write to her. Miss Cordellia Franklin, to Sanctus' Studio. She says that they were \$10.00 per day, originally, but she will make them, for you now at \$8.00 in the Sepia, like mine, or in the

black and white finish for ^{*}6⁰⁰ She will
send you all the proofs for magazines or news-
papers that you want, "free" -

So, dear, you had better write to her, direct.
Give her the number of the proof - "^{*}19046" - when
you write - also.

Hope you are better.

On love, yours affectionately
Victoria.

My dear Sister: I had intended writing a letter today, but am too tired after hunting apartments all day and finally moving late this P.M. Had to leave the other place, too tough, so found a dandy near it with Texas lady in charge, and she made me a splendid proposition. The address is Brownleigh Apartments, 626 South St. Paul Ave., Los Angeles, Calif.

Have a swell apt. cheaper than where I was, and car next door or also cheaper parking.

I sent you several copies of Food 4 Thought yesterday, as the poem got in it. I gave your name, but they placed only mine in it. Think it fine. Will write soon. Your long letter was fine and I appreciate it.

Have three large rooms, piano, beautiful furniture, rustic decorations, roof garden with flowers, Ice box large enough for boarding house etc. and all cheaper then I was paying when get someone to share which I have prospects of know. Moved late last night but slept back at old apt. Right down in heart of town. Saw Maxine, Husband, and Bliss this P.M. when went by their house a few minytes. All well and happy except missing Julia. Got a lot of flowers and brt to Apt., including geraniums which planted out, poinsettias and Chrysanthmums and all are so pretty. Will answer your fine letter as soon as can. Got the Dec. Digest and what have read is good. Was invited out to nice dinner party last nite with several men, then on to men's club at church. Address is Hotel Val-Demar Penthouse, 606 South Hope Street. L.A. Dear Sister: I have been too busy this week to write a long letter. I trust that all of your family is well by this time, and you are over your cold. So sorry all could not have been there and been well, but such is life: I finally got the book at Library about Sorrell & Son, but so far cant get interested in it - is so old and so much of useless English stuff in it. Will try to read it and see if anything worthwhile. What one does, another cannot always do it, for conditions are different. I surely feel that I have done all I could for mine under existing unhappy circumstances, but we can always learn something from other people. Have attended some marvelous musical programs, and the church chimes are beautiful from my apt. Was invited out to dinner last night, and again next Wed. nite. Haven't decided definitely what will do but am working on these Hollywood Liquefiers I sent you circular about. Love and best wishes.

My dear Sister:

Your air mail letter just received. I haven't time to write a letter now, but will answer by card as you wanted to know about the 1939 taxes. I don't recall whether I borrowed the money to pay the 1938 Or 1939 taxes, but whatever I paid, the receipt would be in my papers in a bundle marked TAXES, and there are a number of receipts in the package. Anyway, if she can't find the receipt, can phone to the Tax Col. at both City and County offices and ascertain if they are paid. I am sorry she can't find them. I had everything where I could locate it.

It is marvelous weather out here - enough rain to make it pleasant and just like Spring. Is peculiar that we 4 are so scattered. Did Ellen go with Tom? I imagine she did not as you said T and Mr. Arnett. Trust you are O.K. and over your spell. I feel fine so far and hope to continue that way. Love and best wishes, and thanks for writing. Dear Sister:

Seems ages since I heard from you or have written. I spent the week-end with my friend in Long Beach, and it was wonderful down there. People swimming in ocean, and others wearing slacks. Can't believe it is February. I went to see Aunt Ella for a while, and as usual could hardly get away from her. Just have to get up and walk to door while she is still talking. Thinks she will live there permanently. Said Aunt Alma's daughter is now living in Oregon. I thought she lived here.

Hoping to get lined up in new job soon. Been mighty discouraged, but trying to hold up under the strain.

Just like summer today and so warm, need lighter clothes. Trust all are well, and when I say that I mean my children as well as you. Love and best wishes. Maryann wrote a brief letter. Wish Jack would write and tell me everything pleasant.

Know you and Tom had a good time in San ^Saba. Tell me all about who you saw etc. I wrote you a long letter yesterday and mailed it so trust Miss Nablo will forward it on to you. I trust that Virginia has my address and will come to see me while out here. If I had known in time she was coming, would have given my telephone number. However, if she comes only to Riverside that is 60 miles from L.A. I am doing no good here, so may leave any day for somewhere I know not where. I don't care much which place I land. I had to have a tooth filled today, have my car fixed which takes about all I have. Hoping to have nice time tomorrow with old room-mate from Waco, and trust he has something I can get into in real estate bus. Know you will enjoy stay in Anton and Abilene. Give my best to all. Dear Sister: I dont know where you are so will address it at your home and perhaps you will get it. It has been a long time since I have heard from you. Trust that all are O.K. I have not seen nor heard of Virginia, so guess she has returned without seeing me. A young man came to my apt one night last week and said his name was Anderson. Turned out to be Picken's only son, about 26, who wroks at an aircraft plant here. Is very nice, but not as handsome as I had expected. He lives a lone in apt and has big time, drinks like his father does, he says. Remained about two hours. I am leaving at noon today for Nevada with old friend from Denton, who has just bought into a mercury mine. If it is O.K. be wants me to go back up there and represent him and work, keep office etc, salary and interest in the mine, so I am thrilled over it and hope it pans out O.K. We will return this time Sunday P.M. or Monday A.M. He pays all expenses on trip. Best wishes and good lucks.

Dear Sister:

Your letter written Ed. just received. I returned this A.M. from Nevada, where I had a most unsualy experience. The country we passed thru was beautiful - snow capped mts most pf the way on both sides. The mining property we went to inspect is better than we expected, so if everything carries out as now planned, I will likely be up there within the next ten days or two weeks to stay. The trip did not cost me one cent, in fact was paid something for going and driving etc. Everything is wide-open in Nevada and it seemed good to be there where people are real people and not like here in L.A. Will advise more later. So glad to hear about pictures of Mother and can hardly wait until receive one. Glad things are O.K. at house. and hope they get things so can make living, however, if this deal goes over, I should have something worth while.

Love and best wishes, and trust all keep well. Devotedly

Dear Sister: Just read your letter of 11th and hasten to answer so you will get it at Abilene. Trust that you find Vada O.K. and am glad you have made up your mind. Know you will be happier out there, so make up your mind and stay with it. As far as climate is concerned, this is the place to live if one only had money to pay expenses. My Nevada trip was pleasant and interesting, but deal is about to blow up. However, I am working on it from another standpoint and may get a job out of it after all. I would go anywhere and live under adverse conditions if could make a living. I am moving from my apt Wed. 16th as cant afford to pay this much, so dont know what will do or where will go, but address me here until advised otherwise. Simply cannot get anything to do. Nobody wants a man after he is 40 expect to exploit him at his expense. What is to become of me, only GOD knows.

cheap for me until ¹ can do better. He has something for me
if the mine does not work out as planned. Will be very com-
fortable here and quite different from right down town as I
have been. Trust that Vada is O.K. by now and you are enjoy-
ing your stay. It is so cool now (5:30 P.M.) have to close
all doors and windows. Weather is grand. Love and best
wishes to all.

Devotedly,

Dear Sister: You must have missed the card on which I sent new address, anyway, you have it by now. Your card of 25th just recd. I went to Bakersfield yesterday with a friend, and got long D call last night to rush back today as had prospect of job, so did, and am promised one as timekeeper for a gold mine about 400 miles N of here, 9500 Ft elevation, snow bound for next thirty days, so if everything works out O.K. I will leave here Monday for the spot, and am really happy over it. Wont give address until later as something may prevent me going at last minute. Got this thru rich woman friend of McCook's where we were entertained for dinner Sunday. I would not drink, so she recommended me to the management of the mine in which she owns 1/2 int. Wont pay much, but think can spare \$40 to \$50 Mo to G and children. Glad somebody at last appreciates a sober man. Will advise as soon as possible new address, but if write me here, it will be fwd. Devotedly,

CJD
