Mr. L. De Vera
Eagle Pass Texas
Dear Sir

Yours letter at hand,
we wired you to-day:
"Goods shipped Nov 15; excuse
the delay we are very busy;
which we now confirm
in looking over the order we
find we shipped you 5- $\frac{1}{2}$ [#]
instead of 5- $\frac{1}{4}$ [#]; we will ship
the $\frac{1}{4}$ [#] to-day, and trust
you will be able to use
the $\frac{1}{2}$ [#]. We regret the error
but hope you can use the
 $\frac{1}{2}$ [#], if not, please advise us.
Yours truly
Taylor Mfg Co
