Mr. George S. Perry, Attorney,
Lubbock, Texas.

Dear Sir:

I am returning, by registered mail, the various tax receipts from the Tax Collector of the Sundown Independent School District, which, for identification, are numbered 1624 to 1666, inclusive.

As stated in our recent letter to Mr. Slaughter in care of Mr. Soash, when returning state and other tax receipts we have no means of knowing that all the taxes have been paid as these particular receipts are for taxes only for certain years. In that letter we requested that a tax certificate from the County Tax Collector as well as the Tax Collector for any independent school or drainage district be procured covering the various tracts of land owned by Mr. Slaughter in the Slaughter Block, which certificate should state that all taxes have been paid up to and including the year 1937. If we do not have such a certificate our file will show only certain tax receipts but will not show conclusively that all delinquent taxes have been paid. Then too, this certificate will be of additional value to Mr. Slaughter as he will always have such to refute claim, if any, for delinquent taxes. We renew this request and suggest that you so advise Mr. Slaughter in the end that he will procure and send us such certificates.

Very truly yours,

Dear Robert and Mrs. Slaughter:

I send you herewith a letter received from Z.O. Lincoln, the contents of which are self-explanatory. Mr. Lincoln came to me about the District being short of money and he made up this statement as per my request and I send both statement and letter.

If you can do this, I believe that his letter contains a good suggestion.

In other words, those items that are underscored will be paid without penalty and interest.

This will work a saving and I feel like it might be well to do this, if you can spare the money now.

With best wishes, I am

This will acknowledge receipt of your letter of August 6, 1938, together with tax receipts enclosed and in reply thereto, wish to advise that we did not have in mind the procuring of tax certificates on the land in question, due to the fact that the same would cost us approximately One Dollar to One Dollar and Fifty Cents per Tract, and frankly, we do not have that much money at this time to pay for such instruments, and I had in mind that if the Texas Company was desirous of them, that it might procure these tax certificates.

Dear Mr. Lincoln:

As per agreement made, no question was to be raised about duplication of payment of taxes on the Unitized Block. I do not remember that this covered the North side. Consequently, I have in mind tax receipt No. 852 for the year 1928, on the West thirty acres and the East 89 Acres of Tract 19, Bob Slaughter Block.

You issued receipt on July 26, 1938, for \$29.60, covering the year 1929. Kindly check tax receipts No. 852 and 853, covering 1929, and see if there has been a duplication of payment. Also see redemption receipts Nos. A81 and 861, on the 1930 taxes on the above land.

Thanking you for the many splendid courtesies that you have so kindly extended to me, and if this is not in violation of an agreement made, please check up on the matter and advise me.

My instructions are to forward these receipts to you, so that you may make photostatic copies thereof and that you will return these receipts to me after you have done this.

Kindly acknowledge receipt hereof and return the receipts to me as quickly as you are through with them.

This covers all delinquent taxes owing to the School, on all of the lands belonging to Sue Alice Slaughter, lying within the Bob Slaughter Block, that have come to my knowledge and the payments were made based upon statement to me rendered by the Tax Collector for the School District.

Dear Sir:

Please find enclosed tax receipts made to Dr. Veal in the amount of \$391.01. This leaves a balance of \$8.99 of the \$400.00 check for May. This balance has been applied on Receipt No. 1302.

If Dr. Veal cares to finish up paying all of his 1935 and prior years taxes with his next check \$465.06 will clear the records. Would Dr. Veal care to continue his \$400.00 a month payments on 1936 taxes? His 1936 taxes will approximate \$700.00 by the time he would get them paid under this plan. We would be glad for him to continue payments this way.

same being for the 3rd installment on the Sue

For my records, I desire that you
give me a letter explaining the disposition you have

Mr. Z.O. Lincoln
Tax Collector
Levelland, Texas

Dear Z.O.:

Re: Slaughter taxes.

I appreciate your having come to see me and I have done everything that I could to get the money together to pay the requested amount on the taxes, but I have not succeeded.

I am still trying to get it together for the month of June, to pay all of the taxes, and it looks like I am going to succeed. That is to say, that I will be able to pay all of the 1937 taxes and maybe the delinquent taxes. I will write you again within a few days.

Please give my appreciation to the School Board for its attitude in this matter.

GSB:VB

Yours very truly,

GEO. S. BERRY.

Dear Robert and Sue Alice:

I think it would be very good business to pay the state and county and the Sundown Independent School District taxes for 1937 before the first day of May, 1938.

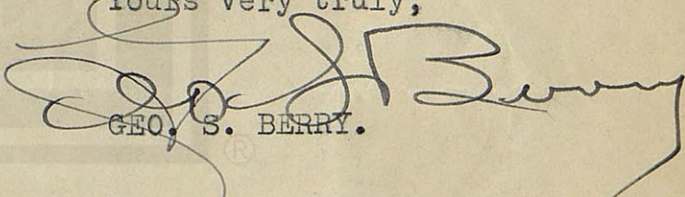

We can pay them at this time with only a 3 per cent penalty, while after August the 1st., it will be 10 per cent penalty and six per cent interest.

Please advise me about this by return mail.

With best wishes, I am

GSB:VB

Yours very truly,

Mr. and Mrs. R.L. Slaughter, Jr.
C/o Hotel Alexandria
250 West 103rd Street
New York City

Dear Robert and Sue Alice:

I think it would be very good business to pay the state and county and the Sundown Independent School District taxes for 1937 before the first day of May, 1938.

We can pay them at this time with only a 3 per cent penalty, while after August the 1st., it will be 10 per cent penalty and six per cent interest.

Please advise me about this by return mail.

With best wishes, I am

GSB:VB

Yours very truly,

GEO. S. BERRY.
