REMARKS

Under this head will be included changes in Commission, important duties to which engaged, and other important facts connected with your Confederate record.

I was admitted to the service of the Confederate States in the month of May 1862, at the battle of Gettysburg, where I was wounded in the arm. I was taken to the hospital and remained there for several weeks. I was then sent to the rear and continued to serve in the same capacity until the end of the war. I was discharged in the month of April 1865, and have since resided in the city of New York.
