Mr L. A. Luna.
Eagle Pass,

Dear Sir:

Goods ordered received today
Also your bill for which I will
debit you tomorrow. And I must say that
I am not at all pleased with this
shipment. I return you 2 Cans of tomatoes
for a sample of what you sent me

The rust has eaten bottom of boxes and
entire case unfit for use. The catsup
I had to throw away also the cheese
which had worms in it. it is very
provoking out in this country to order
goods & receive such articles. I am
willing to pay for first class stuff
I will not stand to have any second
class goods shipped me. No doubt an
error on part of your clerks to send
me such goods. Yours truly. J. A. James
