Texas Live Stock Sanitary Commission Approve "Tixol."

Fort Worth, Texas, Nov. 3, 1911

To whom it may concern:

"There has been dipped under the supervision of the Live Stock Sanitary Commission of Texas, during the year 1911, approximately one hundred thousand head of cattle. These cattle were dipped in "Tixol" a preparation prepared by Wm. Cooper & Nephews, of Chicago, Ill. It is the opinion of this Commission that "Tixol" is the safest, best, and most practical Dip now in use for Tick Eradication work. And wherever the Live Stock Sanitary Commission of Texas is asked for an opinion as to what dip to use, we always recommend the "Tixol" Dip.

(Signed) W. N. WADDELL,
Chairman Live Stock Sanitary
Commission of Texas.

State Veterinarian Says:
 "Tixol" is Superior to
 Standard Arsenical Dip.

Fort Worth, Texas, Oct. 30, 1911.

Messrs. Wm. Cooper & Nephews,
 Chicago, Ill.

Dear Sirs:—

"I take great pleasure in heartily endorsing your "Tixol" as a Tick Destroyer. It has given us the best of results and is far superior to the Standard Arsenical Solution which has failed us on other occasions probably due to the adulterated Arsenic."

Yours very truly,
 (Signed) E. R. FORBES,
 State Veterinarian.
