Dear Anna

Enclosed find Draft for
Twenty dollars. says to me that your
Birth Day comes some time in this
Month. But I am not positive of that
neither did I think of it until I thought
this the Month of May. Well you can
use the enclosed Amount as best
pleases yourself and although it's
but a small Mite it may tend to
fill out a few small necessities and
have a few cents to put in your
pocket. Be a good Girl - be choise
in your Society and your actions
and holding in view to be a Lady
in the strictest sense of the word I
and you may get hold of something
and I am, &c.
