Mr. H. T. Shaw

Fort Worth, Tex.

My dear Sir:

Replying to your
favor of the 12 inst. making
inquiry of the military
record of comrade J. P. Com
in the war between the
States, I have to say that
his record as a soldier

was good. I do not
remember to have met
him since the war
but from my knowledge
of him as a soldier, I
can cheerfully commend
him to your Camp as a
worthy member. Our
letter was E. A. H. Spaight's
regiment. I was Captain
of the company.

Very truly yours
H. C. Gibbs.
