This is our home, where  
we lived and worked for six weeks.  
In this home we apply all principles of  
good cookery, correct home management,  
and child care that we have learned in  
various courses.

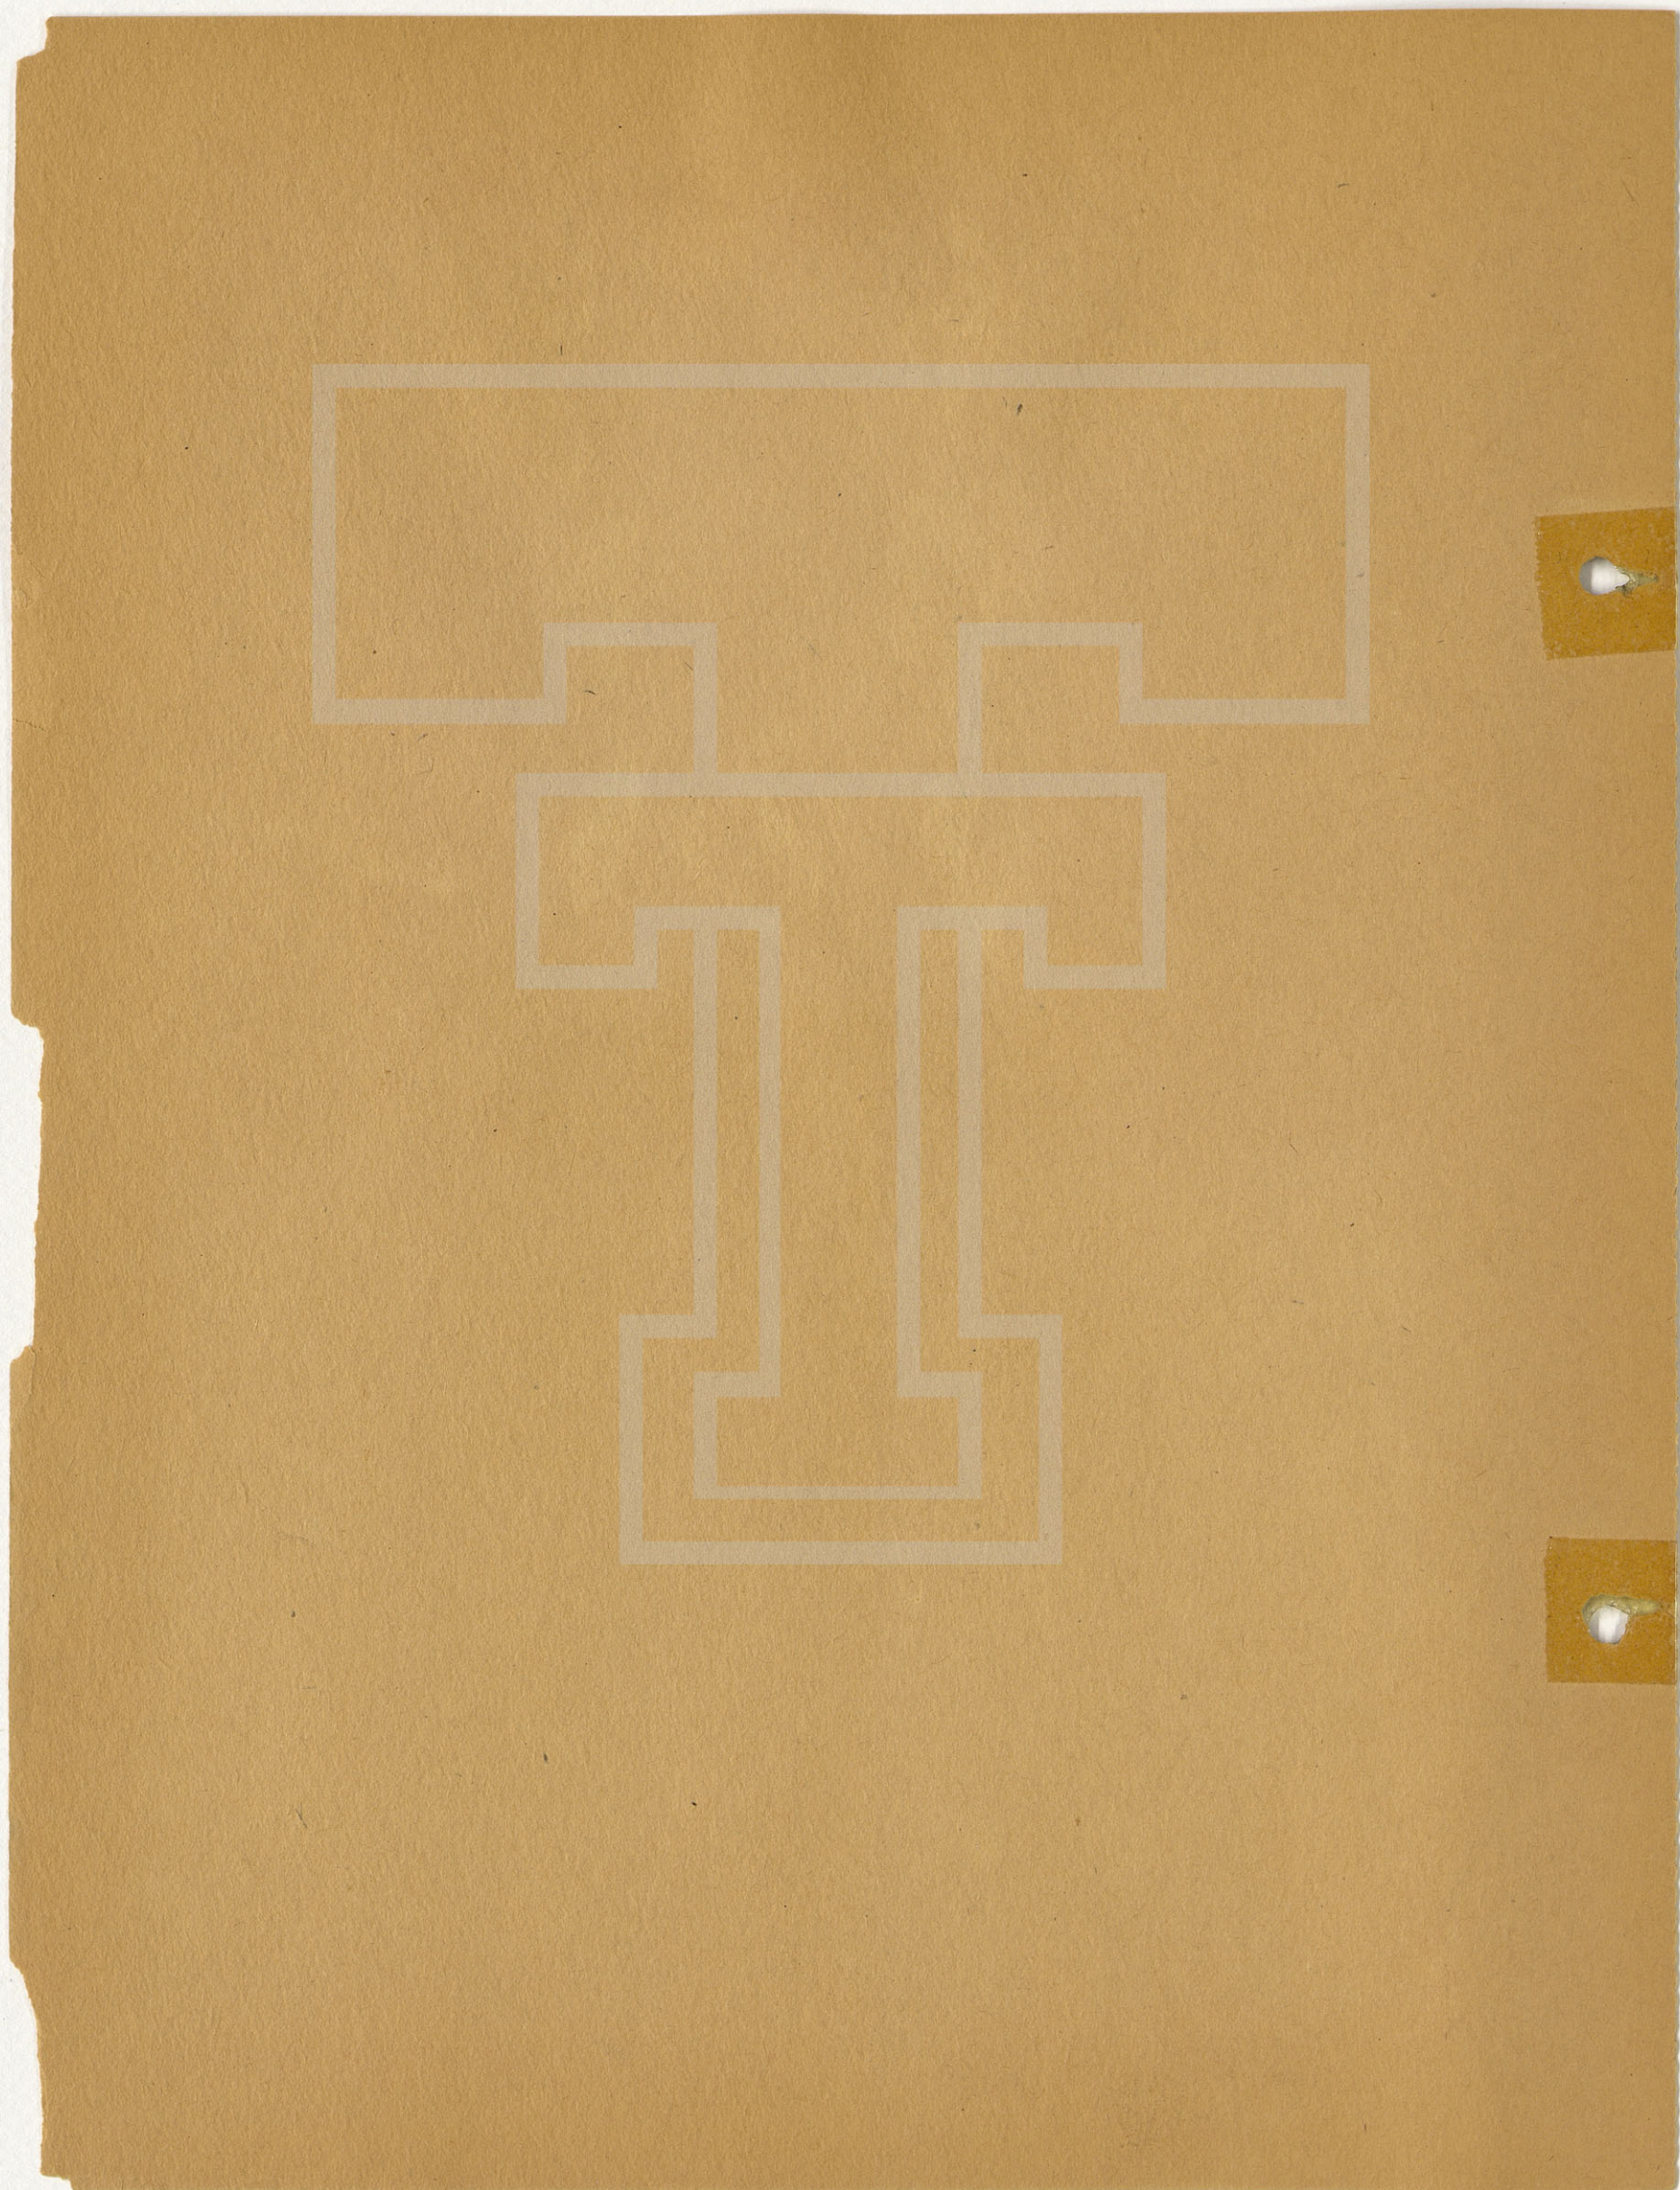

Our director - Miss Lyle

Miss Lyle, a sweet and charming director, made our stay in the home management house most enjoyable. She was always cheerful and understanding. By correcting our many mistakes in a tactful way and by offering helpful guidance at all times, we will recall her and our residence in the house as pleasant memories.
