110 Negative

A frame on a 110 negative is indicated by the number and arrow to the right of the frame.

Ordering Instructions

- 1 Check Next Day Value or Next Day Premium processing.
- 2 Write negative number for each item ordered.
- 3 Indicate quantity of reprints or enlargements in the box that corresponds to the negative number.
- 4 Enclose this order form and negative strip. DO NOT CUT NEGATIVES APART.

If you are ordering from more than one negative strip, and there are duplicate negative numbers, please use separate order envelopes.

Allow additional time for combination orders. Example: You order an enlargement from a print. This also requires a copy negative, creating a combination order.
