CONSTITUTION AND BY-LAWS OF THE DALLAS LEAGUE OF WOMEN VOTERS.

ARTICLE I. Name.

This organization shall be known as the Dallas League of Women Voters, and it shall be affiliated with the Texas League of Women Voters upon the payment of such dues as the constitution of the Texas League shall require.

ARTICLE II. Object.

The object of the Dallas League of Women Voters shall be to promote education in citizenship, efficiency in government, and needed legislation.

ARTICLE III. Policy.

The Dallas League of Women Voters shall not ally itself with nor support any political party, but it may endorse measures and policies.

ARTICLE IV. Membership.

Section 1. The membership shall be unlimited and shall consist of active and associate members.

Section 2. Any white woman of good standing may become a member by signing application blank accompanied by membership fee.

Section 3. Men are eligible for associate membership.

ARTICLE V. Officers.

The officers shall be President; Four Vice Presidents; Treasurer; Recording Secretary; Corresponding Secretary; Parliamentarian; and Auditor.

Their terms of office shall continue for one year, or until such time thereafter as their successors shall be elected and installed.

ARTICLE VI. Executive Board.

The Executive Board shall consist of the officers and chairmen of standing committees.

ARTICLE VII. Standing Committees.

There shall be the following standing committees: Legislative; Finance; Membership; Program; Directory; and General Welfare. Chairmen of such committees shall be appointed by the President at the first regular meeting, to serve for the term of one year.

ARTICLE VIII. Annual Meeting.

Section 1. There shall be an annual meeting the second Friday in May, for the receiving of annual reports, election of officers, and other business.

Section 2. Method of Election. Each member present at the annual meeting at which the election is held, a quorum being present, may nominate in writing on a card provided for that purpose, one candidate for president. The cards shall then be collected by tellers, who, together with the Secretary, shall make a list of the names on the cards. The Secretary shall then read the list of names mentioned, and announce those two receiving the highest number of votes as candidates. Each member votes by ballot, writing the name of the candidate she prefers, on her ballot. The tellers shall collect said ballots and report to the Chair who shall announce the result to the members. The candidate receiving the highest number of votes shall be declared duly elected. This same method shall be followed in the election of all officers.

Section 3. In the selection of delegates to the City Federation State and National Meetings of the League of Women Voters, or other organizations, nominations shall be from the floor, and the elections by viva voce vote.

ARTICLE IX. Amendments.

This constitution may be amended at any regular meeting by a two-thirds vote of those present, provided the amendment has been submitted in writing at the previous regular meeting.

BY-LAWS

ARTICLE I. Duties of Officers.

Section 1. It shall be the duty of the President to preside at all meetings, and to perform all other duties pertaining to the office. She shall also act as Chairman of the Executive Committee and be ex-officio member of all committees.

Section 2. In the absence of the President, one of the vice presidents shall perform all the duties pertaining to that office. In case of a 'vacancy, the vice president chosen by the members present, shall succeed at once to the office of president until the next annual meeting.

Section 3. The Recording Secretary shall keep a correct record of all the proceedings of all meetings of the League and Executive Committee. She shall make out the order of business for the President: shall notify all committees of their appointment; shall have custody of all records and papers of the League, which papers shall be open to inspection at any time, in the presence of the Secretary, by any member of the League desiring to read them. She shall draw all orders on the Treasurer; shall keep a correct list of all members of the League: shall authenticate all acts and orders of the League, and in the absence of the President and Vice Presidents shall call the meeting to order until a Chairman pro tem is elected. She shall render a written report at the annual meeting. At the expiration of her term of office the records and papers in her possession shall be turned over to her successor.

Section 4. The Corresponding Secretary shall issue notices of all meetings and conduct all general correspondence as directed by the League; shall read all the letters and have custody of same. This does not include certified papers or resolutions which must be sent out by the Recording Secretary.

Section 5. The Treasurer shall collect all dues and receive all moneys from any other source and keep an accurate account of all receipts and disbursements. A detailed report shall be presented at each regular meeting. The Treasurer shall pay out of the funds on hand all bills for such purposes as have been voted by the majority of members at any regular or called meeting. Orders to the Treasurer for payment of such bills as have been voted upon and passed, as herein provided, shall be countersigned by the President and Recording Secretary. She shall render a written report at the annual meeting.

Section 6. The Auditor shall examine the books and vouchers of the Treasurer and present a written report at the annual meeting.

ARTICLE II. Dues.

The dues shall be \$1 per annum for each member, and shall be due the first meeting in January each year and shall be delinquent after the first meeting in February each year. Members whose dues are not paid for two months after due, shall be debarred from the privilege of voting at the annual meeting. Any member receiving the second notice from the treasurer and failing to discharge her indebtedness shall be dropped from the rolls of membership.

ARTICLE III. Regular and Special Meetings.

Section 1. The regular meetings of this League shall be held the second and fourth Fridays in each month, unless otherwise voted by a majority of members present and voting at any regular meeting.

Section 2. Special meetings of the League may be called at the discretion of the President, or shall be called by her upon the written request of three members.

Section 3. The principal object of the special meetings shall be stated in the call for same and may include the words, "and for the transaction of any other business that may be presented." Unless these words are added no other business may be transacted, except the business stated in the call. Where a special meeting has been held, the minutes

are read and approved after the minutes of the regular meeting are read. No minutes are read at a special meeting, unless it is an adjourned special meeting.

Section 4. The regular meetings of the Executive Board shall be held on the 4th Friday of each month, before the regular meeting of the League.

ARTICLE IV. Quorum

Section 1. Seven members of the League shall constitute a quorum.

Section 2. Seven members shall constitute a quorum of the Executive Board.

ARTICLE V. Parliamentary Authority

Roberts Rules of Order, Revised, shall be the authority in all questions of parliamentary law not covered by the Constitution and By-Laws.

ARICLE VI. Amendments.

These By-Laws may be amended at any regular meeting of the League by a two-thirds vote of the members present and voting, provided the proposed amendment has been submitted in writing at the previous regular meeting.

Mrs. Allen Merriam, President Dallas Branch of The Texas League of Women Voters 4316 Rawlins Dallas, Texas

Dear Mrs. Merriam:

How nice of you to write me about your annual meeting: I am glad if any of the suggestions made in the conversation with you here in Washington were helpful. I know what good people you have in the Dallas League and what opportunity the community offers-we do wish you well in your coming year's work.

We have admired the format and content of the two broadsides you have issued to date on the need of reorganizing the Dalles County government. Is your third one to be pointed directly to the election? I am a little vague about when the issue is going to come before the voters.

We hope very much that someone from the National League will come to Texas in the fall since it was not possible for a representative to be present at the state convention.

Sincerely yours,

DALLAS BRANCH OF THE TEXAS LEAGUE OF WOMEN VOTERS

Monthly Bulletin June, 1942

Why should we live internationally at the present time? Why is it important in war time? Why will it be imperative for post-war peace?

Answering these questions will be the goal of a summer study group called "A Primer in Foreign Policy" to be conducted by the Dallas League. Mrs. Frank Hobden will be the leader of the group. Meetings will be held every Wednesday morning from June 17 to August 5 from 10:30 till 12:00 in Mrs. Merriam's cool living room, 4316 Rawlins. Non-League members welcome.

There will be no general meetings during the summer months, so all members are urged to attend this group to keep in touch with League activity.

This study group fits in with the wartime plan of the National League for yearround activity. Specifically, the program adopted at the National Convention held in Chicago in May includes:

- 1) Wartime Information Service on vital governmental issues by distribution of broadsides.
- 2) Relating local government to the necessities of wartime.
- 3) Participation in Congressional elections to the end that men fitted to cope with war and post-war problems shall be elected to Congress.
- 4) State Item: The State's special responsibility in wartime is the administration of monies and services without graft and with efficiency. The Texas League will support legislation facilitating the discharge of this responsibility.

Do you have a Voter's Handbook?

Written for the Texas League by a League member, it contains complete information about elections and election laws, a brief and concise outline of our national, state, and local governments, all well indexed for quick reference. Our League is selling them. The handbooks are fifty cents, a part of which is profit for our local League. Call Mrs. E. ^B. Perry for your copy.

For whom shall we vote in the coming elections?

To aid in determining the best qualified candidates for Congress, the state legislature, and Dallas County, the national, state, and local Leagues are preparing questionnaires to be filled in by candidates, the results of which will be made available to League members as soon as possible.

Board Members for this year are:

Your letter of May 27th to Mrs. Wright indicates that the Dallas League is refusing to think in terms of summer vacations this year. Congratulations!

As you know, emphasis during the National Convention was laid upon four aspects of the League's work during wartime: explaining and interpreting current issues to the public; intensifying work at the "grass roots", that is, on local government; stressing the importance of choosing a Congress capable of legislating for a nation whose today and tomorrow hang in the balance; support of governmental measures (within the scope of the Active List) in the public interest.

This means a lot of work to be done, so we are making no special plans for study groups at the moment. Most of the Foreign Policy work will fall into the first and fourth of the above categories. Members will certainly want to follow developments as interpreted in Trends, and there will be broadsides on Foreign Policy subjects from time to time. Perhaps you have already used Two Fronts: War and Pos-War.

For members who are new to Foreign Policy, I suggest the new leaflet on the Foreign Policy of the United S tates, which was devised to meet just such a need. Whenever a

In view of the materials you said you had, I sent you ten copies of the ABC, two copies each of two speeches on democratic government, and one copy each of two other speeches. The leaders should read all the speeches; the members of the group should read the ABC.

I did not know how many people would be in the group and if you need more of the ABC please order them.

I have come to a breathing spell for the week-end and am getting caught up on correspondence. Enclosed is a copy of a letter which I sent to Dr. Melvyn, following up the dinner conversation which we had.

It was a great pleasure to have met you and members of the Dallas League and board. I know that with the number of energetic and devoted members that the League has in Dallas, there will be activities on a great many fronts and the challenge of the times will be more than met.

I eventually arrived in Midland at 2:00 P. M. I suspect it is no military secret to say that the train was loaded with troops. It took me 25½ hours to make the return trip from Midland to Houston!

Best wishes to you and Mr. Merriam.

An unusually fine opportunity to learn the county problems and suggestions for their solution. The League is complimented to have been asked to supervise this meeting on county government, one of a series called "Self Government Put to the Test," in which some of the most pressing problems of the time will be presented to the general public in an effort to further intelligent participating citizenship.

This will be the regular monthly meeting of the newly formed Business and Professional Women's group of the League.

A National Staff Member Visits Dallas: On October 7 and 8 Miss Helen Semmerling, administrative assistant on the staff of the National League of Women Voters, was in Dellas to confer with the board, the Wartime Service Committee, and committee chairmen. Mrs. Merriam wishes to commend our members for responding so generously with their time and attendance at these extra-schedule meetings.

We Point With Pride: Seldom does the National League act directly on an issue before Congress. But in the case of the critical tax debate it seemed imperative that action should be taken before there was time to get word of the need for it to local Leagues. Letters were sent to all members of the Senate. That the letters bore some weight is evident from the following:

An excerpt from a letter from Miss Wells to the state presidents on October 2:

"The League of Women Voters has so far succeeded pretty well in basing support of its effective inflation control on broad grounds of the duty of a Congress and the dangers of national ruin through inflation. Senators fighting against the disastrous Farm Bloc amendment to the original bill chose to close their argument with a statement made by the League of Women Voters. Miss Kirlin reports that the sonorous voice of the reading clerk gave it real meaning:

'I am addressing you in the name of the League of Women Voters, a national organization concerned with government in the interests of the people themselves, not for special groups of people. Members of the League throughout the United States have long been aware of the need for drastic action by Congress to ward off disastrous inflation.

'It is our hope that Congress may yet demonstrate its intent to provide for prompt and uncompromising execution of effective price and wage legislation. Congress must be aware of the threat to all people if inflation continues. It is to be hoped that members will act accordingly without fear or favor. To do otherwise with the eyes of the people upon them is to court a loss of faith in Congress itself with unpredictable consequences to our democratic government."

Dear Mrs. McDonald:

Thank you so much for the County Government story. You haven't held up the Voter. We are finking it a real task, I more fully appreciate the work of the former Editors since have seen one in action.

I have heard! and ⁺ think you must be relieved to have a comparatively short name instead of such a long cumbersome one, Dallas County ^League of Women Voters sounds super to me.

Re. OPA and our participation in interpreting the specific details of the program.

Looking at the League from the vantage point of the state office and realizing all of the demands made on League personnel at this particulat time in line with the reasons for our existance, namely the need to create increased interest and inderstanding and participation in government by many more people than the League membership, I cannot see how the League can undertake the added responsibility of taking specific information re governmental agencies to the membership or to the public.

Our contribution is to interpret the need of such a program, what rationing is and why we have to have it. Our legislative work on the Anti-inflation bill was certainly a direct contribution to the OPA program which is geared to preserve our Mational economic balance if we possibly can.

I am speaking of League action on the state level. I would not suggest that a local League give too much time to this sort of interpretation because I am fully conscious of the lack of workers to carry on the League program set up by the delegate body at Convention. The Indianapolis Council held a month following Pearl Harbor to look at the League critically and to decide whether it deserved to continue in time of war, justified its existance and the dire necessity of its continuation on the premise that we would reach mure people with stimulants ghat will make them realize their responsebilities to government in time of war. You know how difficult it is to make our own membership understand how to do this, although I am convinced that all real Leaguers are aware of the significance of the present emergency in relation to the continuation of or not of the Democratic form of government. They also know how little information people have about governmental issues that are shaping their lives today.

As I see it the League has a vital contribution to make at this time and the only way we can make that contribution is to buckle down to it. I hope that Mildred and Elizabeth will share my letters to them with you. I feel like a broken record player. I do feel so keenly about this thing, I wish I could in some way pass on my conviction to you.

带在目的目的时候间已

Now may ¹ answer your letter of a much earlier date? I hope you will forgive me and understand that I have been giving the greater part of my time to 'musts' to go to all local Leagues.

One of the musts was the interpretation of the No 1 amendment that Mildred called to my attention. Sarah Daniels came to the aid of the state office and I do believe the days spent on the mechanics of getting the information to the local Leagues has been well spent. I am sure that I am like most Leaguers and wish at times that we could have the satisfaction of measuring the results of our work as so many organizations can. But we cannot, so we have to have a tremendous faith and conviction that the work we do is of great importance to the future of our country.

I am terribly sorry that Miss Semmerling left the Dallas League so upset. I know that no one could be more unhappy about it than Miss Semmerling. I have seen National staff people work and I have wondered what it is that impels them to give so much of themselves to an organization like the League when they might have better paying and far less strenuous jobs. Finally the answer came to me. They believe in this thing we are trying to do to the best of our ability and consequently give most of their time to it.

I can see how all of you were upset and I realize how difficult it is to give as much time as most of us give. Yet I realize that all of the time I can give is not too much, if we can do the job we have set up for ourserves. Miss Semmerling reported that Dallas League (County) had excellent personnel and bright prospects for the future. She particularly spoke of the spirit in the League and liked it. I sincerely hope that the League is sailing along peacefully now.

You were a great help to me in sending the information re Miss Wells broadcast. We relayed the information to local Leagues and I have had several reports of Leaguers that heard her. I know how tirelessly she labors for the League and how seriously she takes her League responsibility and how concerned she is for the future of this country of ours, so I read much into the broadcast that may not have been there. It was a real tonic for me.

My very best to you and to all of the undertakings of the Dallas County League.

Dear Novella:-

I wrote Thurs. afternoon late, with a bad headache, so please forgive me for having made blunders. In the first place I forgot the principal thing I wanted to take up with you which is this:

Dr. Bruce Melvin, whose correspondence with Miss Semmerling you have had, still feels that when there is so much need for public understanding of comsumer problems, we could profitably use already established channels of distribution such as local Leagues would provide. You may already have received Elizabeth's letter regarding this request we have had. We have discussed the matter quite thoroughly with Dr. Melvin and among ourselves in Board meeting. It seems to us it could be done without violating League principles in any As I understand it, all Dr. Melvin wants is way. permission from you to send direct to Local League Presidents in Texas, printed matter dealing with such subjects as rationing - rubber shortage, etc., about which we could well be better informed ourselves, and which our individual members can disperse personally without any backing of the League.

Now for my misinformation. I found out yesterday afternoon quite by chance that my wartime service director has been so involved in the gas rationing job that she has not even opened her packages of broadsides in which there was the same information that I had. Also the balance of our order on Tax broadsides arrived several days after the first. This I fear is going to be another headache for us but I will let you know more about that later.

Dr. Bruce Melvin is Regional Director of the Consumer Division of OPA, and whatever decision you see fit to make in this situation will be O.K. with us.

Always,

medred M.

Dear M.M.

Your letters of December 10 and 12 were good to receive. How weak I know that feeling of frustration that comes to one trying to be a wife mother and keeper of the home with all of the demands envolved and also trying to do a job that could be a full time one. I believe the most difficult feature of it all is that we realize how much could be done and realize our limitations. I philospphize and make myself believe that it is better to do as much as I can than not do do anyof it. It isn't masy for the thing is constantly on my mind. Either the family responsibilities or the League responsibilities but most often both.

Dec. 17, 19+2

Right now I am so excited over the secret ballot legislation story that the AP sent out over the wires twice on Monday and the UP picked up and sent out once that I am ready to skip Christmas and get going on the state job. My family however meeds Christmas cheer so Christmas cheer we will have. I do believe we have the best opportunity that we have ever had to do a comendable piece of work on the state level. I hope we do it.

County work: That kind of thing takes lots of effort and a long time to do. The complexity of our daily lives that you mention are becoming more complex with new impacts of the war on civilian living. To be realists we will have to adapt ourselves to it and be satisfied with the kind of things we can do. I believe we can do much good and make a very real contribution by doing those things we can do. Your direction with fewer membership meetings is surely one of the ways.

Re. Mrs. Jones and Mrs. Gill: The reason we have tried to send and receive all communications thru the state League office or have copies sent here of is that we found in the Tax campaign and in the Better Congress Campaign that we were swamped in having several mailing lists. If we had sufficient office help it would be ideal to send directly to the chairmen involved and a copy to the local League president. We do not have that help so we decided to send all communications to the local presidents they could take the information to their boards and delegate the responsibilities to the proper people. That way the board is always informed on all League fronts and realizes its responsibility in planning for the making and carrying out of plans on the local level.

I am glad you found that Mrs. Jones had the correction. I sent copies to local presidents for their information. I am sure that information of that sort will always be included in materials that are sent from the national office.

Secret Ballot: I have a copy of the Secret Ballot Memo in hand. I will have copies memographed and sent mt to all Leagues within the week. I hope all Leagues will push the secret ballot work early in January. We did not have enough response from the Leagues to publish a breadside. I hope we will have response

Hon.Hatton Sumners Jefferson Hotel Dallas,Texas

Dear Mr. Sumners:

I was unable to see you at your Dallas office so I am writing this message which our organization, the local unit of the National League of Women Voters, has for you at this time.

We are very much interested in taxation, price control and rationing as aids in winning the war. We fear that special interest groups(farmers, workers, bankers, industrialists, low income or high income groups) thay a depardize the anti-inflation measures which have been and which may be set up. We want you to know that we regard these problemasas national and we think they should be solved in the public interest, without undue regard for special interest groups.

Furthermore, we are concerned about trade policy problems9 (such as the Reciprocal Trade Agreements Act) that will be vital in apost-war world. The League of Women Voters worked for the Reciprocal Trade Agreements Act and is prepared to work for its renewal if a resurgence of isolationism in Congress makes this necessary.

We want you to know that there is an organization in Dallas which will place national welfare above favored treatment for constituents even when taxation, price control and rationing are involved. Let us know if we can be of assistance in crystalizing local opinion to this end.

Very truly yours,

Mrs.WalterT.Watson Parliamentarian

By action of our board ^Dec. 29th, we hereby reduce our standing order for broadsides from five hundred to three hundred per issue. From now until further notice please send them to Mrs. Frank McDonald, 3537 Milton Avenue, Dallas.

Also will you please take note of the change in name of our local league from the Dallas Branch of the Texas League, to the Dallas County League of Women Voters.

Sincerely,

Dallas County League of Women Voters

Jan. 4th, 1943.

Dear Novella:-

Isn't our new stationary elegant? We are so pleased with it. It is so nice to have a shorter name. This is just so you can see what it looks like, because I will probably use up the little we have left of the old in writing to you. You won't mind and we hate to waste it.

The enclosure is self explanatory. There has been a lot of work connected with this venture, but it was one of those things we were conscience bound to do after our interesting study, and happily it has met with encouraging response. We feel that while National frowns now on Study groups, we are in this effort overcoming their chief objection - that of confining our efforts to our own small group. Also we feel that this is a good way to help combat Isolationism and increase vigilence in respect to pressure politics, etc. Anyway already a great many more people know about the League and before we get through, will have learned a lot more about post-war problems.

We had a fine board meeting last week. We were off schedule because we skipped the Dec. meeting and wanted to get a bulletin in the hands of our members early this week. One is being mailed you and we will continue to send you one of each issue.

Sarah was present and reported on our state campaign for secret ballot. We are all ready to do our part when the broadsides come out and the board took the informational matter you sent so that we might be equipped to discuss the matter properly. We are leaving for the moment the financial end of that in Sarah's hands.

Our immediate problem before the board was our War Time service. Since Ina Jones had to resign as director something had to be done. We took this opportunity to check with several of our unit leaders and found that some broadsides were being wasted. We have neither time nor money for that, so after a thorough discussion we decided to reduce our standing order from five hundred to three hundred for the time being and Mrs. Frank McDonald, 3537 Milton will receive them find see that they get into the hands of the unit leaders. She and I have a date this week to get it all in shape. Ina did a fine job of getting the thing started and that was all she agreed to do. We have made too much headway to drop it now and will just try to improve our effort. With this problem before us we are anticipating Mrs. Gill's visit for our Jan. 20th meeting. I did like her so much, and if anyone in the world could enthuse a group about this plan, she certainly could do it. We hope to have a good crowd for her. My great regret is that Allen and I leave that afternoon for the East and I shall have to forego the pleasure of entertaining her in my own home. I am going to write her within a day or two and I am sure Elizabeth Perry who will be her hostess is doing likewise.

I believe that is all for to-day. I do hope you had a pleasant restful holiday season. I think of you so often and of the heavy load you have to carry and am always sorry when we here in Dallas have to complicate things. For the present it looks like fairly smooth sailing.

The following I saw on the wall of the superintendent's office at our charity hospital. It is a good wish for the New Year.

God grant us the serenity to endure those things which cannot be changed -

The courage to change those things which can be changed, and

The wisdom to know one from the other.

Sincerely,

mildred Marrian

DALLAS BRANCH OF THE TEXAS LEAGUE OF WOMEN VOTERS

Dallas, Jan. 22nd, 1943.

Dear Novella:-

First of all I want to tell you that not in my experience have we had such a thoroughly stimulating encouraging, productive session with any outside League visitor as we have had with Annie Laurie Gill. Thank you for making it possible for us.

And now to applogize for my inadequacy again. It is either a complete lack of something I should have or a lack of experience which makes it so hard sometimes for me to anticipate situations. I wrote asking for a speaker for the January meeting and had no other idea in mind and none occurred to me. Certainly I should have known that we must embrace every opportunity to profit by her time with us. The bright spot in all this unfortunate misunderstanding is that we did profit so richly. More of my members could have had the enthusiasm which she can engender if I had used my head, but nothing can be done about that now except by passing it on to them.

We really didn't feel in the need of help at this time, and yet we got so very much that I don't see how in the world we will ever put it all into practise. That we will have to try I think you know, and that we will do our best I want you to know.

I am so very glad that circumstances delayed my trip to my girls because I would have missed a great privilege had I been gone while Annie Laurie was here.

IULL try to send the name of an isolationism chairman real soon. Will be so eager for a report of the board meeting. Good luck.

Medded Merram.

Dear Mrs. Merriam:

I am sending to you a broadside which was issued by the Onondaga, New York, League of Women Voters on the subject of county government. I thought it was extremely good and that perhaps you would be interested in seeing it since the Dallas League also is working on the subject of county government.

Mrs. Calvin tells me that you are planning to be in Washington next month. We look forward to seeing you in the office and hope that in addition to that, you may have some time for gin rummy! My greetings to you and Mr. Merriam.

Sincerely yours,

Dear Novella:-

Sarah says from what she saw of the State Board meeting, it was very successful. I have had time to talk with her only over the phone yet, so do not know all about it. I do hope you felt it was a good meeting. I don't see how it fould help but be when you are all doing such a grand job.

Now for good news in regard to State Board. Sarah has agreed to be the member from Dallas to take Elizabeth's place. We have felt for some time that she would be the best for the job. I phoned her this morning just as a last resort, not dreaming she would accept, and how she laughed over having sold herself to you while there. I know that is a relief to you as it is to us.

We are going to try something on our Isolationism Campaign chairman. Mrs. Merriall Krughoff - 4616 Southern Ave - is going to try to handle it from home. She is a rather recent addition to Dallas having come here from Calif. where she has had wide League experience. Right now she is tied with a little three year old girl and a four months old baby boy and no help, but she can be a sort of watch dog on that job which will be a help and it will give her a feeling of contact with the League which she has missed. We will co-operate with her when action or publicity is necessary. Will that do for the moment?

We have taken in six new members in the last three weeks and everything seems to be moving along as well as could be expected.

Had a nice note from Helen Semmerling this morning enclosing a broadside issued by the Onandago County League in N. Y. on Co unty Government. I see she sent a copy to you. Before I leave next week I'll send a supplementary membership list.

Best Wishes,

Mildred

February 17th. General membership meeting. Cokesbury Book Store - Fifth Floor Subject: 10:30 till 12:00 "The Critical Problem of the Second Generation Japanese in U.S." Program in charge of Mrs. Martin Row.

Mrs. Row has visited Japanese Assembly Centers in California, and the Rower Evacuation Camps near Magee, Arkansas. Her first hand experiences and observations, and her information concerning the Detention Camp at Seagoville will give us much needed insight into the pressing problem that confronts the whole country and particularly Dallas. Come and bring guests!

The Secret Ballot Campaign:

Read the enclosed broadside carefully, then pass it on to someone else. If you are convinced that a secret ballot is worth working for write a note to one or all of the Dallas County legislators urging passage of a bill to make secret ballot compulsory in Texas. Our legislators are:

Senator W. C. Graves Representative Jeff D. Stinson Representative W. O. Reed

Representative Sam Hanna Representative Geo. Parkhouse Representative Dallas Blankenship Flotorial representative Preston Mangum

Interdenominational women's study group.

Cokesbury Book Store - Fifth Floor

Our job in the campaign is to create sufficient public interest in a secret ballot in Texas to insure passage of a bill requiring it when it is presented to the legislature during this session.

THINGS YOU WILL WANT TO KNOW:

Mrs. Hugh Gill of La Marque, Texas who spoke at our January meeting, held conferences with the board and with the unit leaders of the Wartime Service Committee. She helped both groups work out fresh plans for broadening our service to the public during the coming months. However, the expansion of our program depends directly on the state of our treasury. Please be thinking about the following two suggestions:

- 1. Increase League dues to \$3.00 a year. Very few Leagues still maintain the minimum membership fee. We will vote on this proposal at the general meeting.
- 2. Ask for voluntary contributions by members specifically for financing the purchase of broadsides. We could use many more than we are now able to buy.
- Mrs. Banks Upshaw attended the public hearing of the county budget as representative of the League. She will act as our regular delegate to meetings of Commissioners Court.
- Miss Sarah Daniels attended the state board meeting of the Texas League held in Austin, January 26 and 27. She was there also on legislative business in connection with the secret ballot campaign.
- Mrs. Austin Crow and Mrs. Josephine DeForest are the League representatives who man the Consumer Information desk in the City Hall on Fridays. Mrs. C. E. Roberts is the alternate.

SPECIAL NEWS

DALLAS LEAGUER ON THE RADIO --- WRR Sunday Night 8:15-8:30 Miss Sarah Daniels will interview W. O. Reed on the Secret Ballot bills to be presented to the Texas legislature very soon.

We have some extra secret ballot broadsides. If you know groups or individuals who would like some, call Mrs. Frank C. McDonald, L-1370. If you have not written our representatives (names in the February bulletin) write at once urging passage of the bill.

> OUR PRESIDENT GOES TO WASHINGTON. Mrs. Allen Merriam has been in Washington where she visited National League headquarters and conferred with some of our national staff. We will be eager for her report when she returns.

PRESIDENT'S COUNCIL OF THE TEXAS LEAGUE to meet in Dallas April 6 and 7. This is strictly a work session for our state presidents where they will thresh out problems and make plans for the work of their Leagues for the coming months. We welcome them to Dallas!

> NEW CHAIRMAN OF THE LOCAL CAMPAIGN AGAINST ISOLATIONISM is Mrs. Merrill Krughoff. You will find enclosed the latest Isolation broadside. Because these broadsides are so well adapted for group discussion, we ordered several hundred of them. If your study group, club, or church circle would like copies, call Mrs. Krughoff, L8-9209, and they will be mailed to you.

PICK-ME-UP FOR A TIRED LEAGUER:

"If we are asked how much good is the effort of a few thousand women in a few hundred communities, surely we can answer, "Better than nothing, much better than nothing; and perhaps at some future time what we do now, line upon line and precept upon precept, may turn out to be a thousand times better than nothing!"

DALLAS BRANCH OF THE TEXAS LEAGUE OF WOMEN VOTERS 3716 Nolland Que. Dallas Telas August 30, 1943 Dear Monella: the post poned writing to you until we were in a position to submit a note detailed report regarding the campaign. Plople here are ready for it, Pthink. at least those whom we have approached have reacted so favorably as to justify this belief. At present, we have ten squad leaders and the prospect of several more. Four of the leaders are med. MU Dr. fin Robertson, husband of our four very good League numbers; Jewis B. Lekfouitz, attoring; David Hunter with OPA and Harold m. Goung, Sucretary of the Dallas Consulas larges had Privilie Director for the murray lin Co. the have asked each equal leader to place at mu least ten members on his is her equal. This means a minidum of one hundred equal members who will contact as many people as presible the have not specified the given number that each equal member is to reach. Thould we do this Mouella? Last Friday, Congressmen Herter of Massachusetts and Maroney of Oklahouda spoke here

under the auspiced of the Texas Committee on Postwar Problems. The meeting couldn't have been more to our liking, had we planet it ourselves, as part of our tampaign. The speakers' objective was to create an international view print in the minds of people. Many who attended were of the impression that the Conquest new appeared under the anspices of the feague. Several of ins distributed broadsides, quizzed and senate Resolution 114. We were asked for additional copies and raw out of out que The League also received mention during the question period which followed the Conquestmen's remarks Remarks. With us, if ruly for a few days? Many of us who haven't been with you in arms time are hungey Please remember me to mes. Sill, Howella. I liked her. I he was such an unassuming, genime I hope you are pleased with us Novella. any suggestions you may have which will help us to more ably conduct the campaigne will be most Cordially yours, Bennett Welcome.

Mrs. H. A. Trexler 3321 Rankin Dallas 5, Texas

Dear Mrs. Trexler:

The 200 copies of "Whose Foreign Policy" were sent to you on September 13. We have also increased your standing order for broadsides from 400 to 600. I wish it were possible to send you 15 copies of the cues as they are issued but since we use the same lists for mailing the cues as we have for the broadsides, it isn't possible to make exceptions for there would be no certainty that the orders would be billed correctly. Thus, to avoid any disappointments or misunderstandings, we are not making any exceptions in mailing the cues.

The ratio of one per every hundred broadsides was made on the theory that each squad would distribute at least 100 broadsides and thus every squad leader would be furnished a cue under that ratio. Some squads have not achieved that distribution yet and in those cases the local and state Leagues have in many instances been reissuing the cues. Can you make some provision such as that in Dallas, or perhaps or perhaps can the state office?

With best wishes to you and the other members of the Dallas Board $who_{\mu}I$ had the pleasure of meeting about a year ago,

Sincerely yours,

Helen Semmerling Administrative Assistant

Dear Mrs. Merriam:

We have just this week issued "League of Women Voters Today 1943-1944," which is the revision of "Facts About the League." It is available at \$1.50 per 100 and \$13.50 per 1,000.

Another general publication which you might find helpful in membership work is "Calling All Citizens," which is available for finance work with a contribution blank at \$1.50 per 100; without the contribution blank at \$1.25 per 100.

Sample copies of both these publications are enclosed.

My best to you and Mr. Merriam.

Dear Mrs. Trexler:

When your letter of the 13th came in the broadside "Congress and Foreign Policy" had already been sent out. However, I assumed that you wished your increase in your standing order for broadsides be effective immediately. Thus, yesterday 400 additional copies of "Congress and Foreign Policy" were sent to you.

Congratulations on the increase in your standing order on broadsides. It is an indication that the Dallas League has at least doubled the number of persons that it reaches. We all look forward to seeing Mrs. Calvin next month when we hope to get a first hand account of the successes of the Texas Leagues.

Sincerely yours,

Helen Semmerling Administrative Assistant

Fall campaign 1944

*Slogan: "Vote The Whole Ballot" with emphasis on 3 amendments to the State Constitution.

Flyers, copies enclosed, distributed to following groups:

Parent Teacher Associations

Y. M. C. A.

Y. W. C. A.

Unions

Women's Clubs (Letters sent to 150 Presidents) (listatlached)

Teachers' Associations

Hospital Auxiliaries

City Hall

Court House

Churches

Housing Projects (All these in lots of from 50 to 300)

Had booths in two department stores.

Secured small voting machine and complete Ballot from County officials who were always most co-operative.

Held a school for 30 women who staffed the booths. (Every women who agreed to come, did come and served as promised) Each woman given copy of "Questions & Answers" on matters of poll tax requirements, absentee voting, etc.

At the booths we explained the mechanism of voting; discouraged discussion of political issues; distributed about 1000 flyers; also some League literature.

One store carried neat cards in window calling attention to "Voting Information Booth Inside-League of Women Voters."

Other store carried notices of information Booth in regular advertisements. League of Women Voters

Secured 17 window displays in Mieman Marcus, exclusive women's shop, smartly dressed women carrying perky banners with slogans taken from League Literature. One window showed woman of 1920 in costume of that period voting at ballot bbx; woman of 1944 voting at voting machine. League literature displayed in all windows.

This election showed the record breaking vote of 94,000 vast in Dallas Co.; prior to this the largest vote cast here was 70,000 in a Prohibition election.

The amendments carried throughout the state; in Dallas Co. 4 to one. In the past less than one half of the state amendments submitted have carried.

VOTE THE WHOLE BALLOT

Your vote on November 7th will elect a President and a Congress. Nothing can be more important than that! BUT

THERE ARE ALSO STATE CONSTITUTIONAL AMENDMENTS TO VOTE ON.

Do you know what these amendments are?

Do you know what these amendments mean?

Do you know that one-half of the amendments submitted to the voters are defeated, largely because they are not understood?

BE ABLE TO VOTE THE WHOLE BALLOT INTELLIGENTLY-AMENDMENTS AS WELL AS CANDIDATES

For Your Information

Two Amendments on Pensions-

- 1. Provides authority for any Texas city or town to set up a system of retirement and disability pensions for its appointed officers and employees, but any pension system would have to be approved by the qualified voters of the city or town concerned.
- 2. Provides authority for the Legislature to set up a system of retirement and disability pensions for appointed officers and employees of Texas cities and towns, with participation in the plan by cities or towns on a purely voluntary basis and with the Legislature prohibited from making appropriations to pay any of the cost of the system.

These Amendments supplement each other and clarify the present Municipal Pensions situation. They do not make pensions compulsory for your city or town—they merely make them possible if the qualified voters desire them.

One Amendment on County Finances-

Provides authority for the Commissioners' Court of any county to re-allocate county tax levies if the qualified property tax paying electorate so votes, and provides that the total of re-allocated taxes is not to exceed 80c on the \$100 valuation.

Such an amendment has no glamour but, if passed, it can be beneficial to your county.

Perhaps your county's General Fund is too small to pay for the services you want your county to furnish the aged, the sick, and delinquent, dependent and neglected children.

Perhaps your county needs more money for roads and bridges or for permanent improvements.

This amendment, if passed, would allow the qualified property tax paying voters of your county to put more money in the General Fund or the Road and Bridge Fund or the Permanent Improvements Fund if they so desire.

This is true Home Rule in the matter of county finances—with the people saying how they want their money spent—and it is not possible unless this amendment is adopted.

Perhaps your county has had to borrow in order to meet expenses and is paying interest on this loan. Many times, re-allocation of funds would do away with borrowing and thus save your county the money spent for interest. And not having to pay interest may mean lower taxes for you.

This amendment does not make re-allocation compulsory—it merely makes it possible if the qualified voters desire it. Your county may not want re-allocation now, but in the future it may, and the way to make it possible in the future is to vote for this amendment now.

January 4, 1944

This is election year and issues vital to the welfare of our nation and our state will be voted on at the polls. The Dallas County League of Women Voters is engaged in a campaign to secure the payment of the poll tax by every citizen in Dallas County. Public indifference to governmental affairs endangers Democracy and invites dictatorships. With the important 1944 elections coming up it is essential that all citizens exercise their voting responsibility.

Our soldiers and sailors are fighting in all parts of the world to maintain the American privilege of a free ballot. It is a patriotic duty to back them up on the home front by qualifying ourselves to vote and exercising this franchise of citizenship.

Our League is engaged in distributing 100,000 pamphlets like the enclosed to the people of Dallas County. We are using bill boards, posters, package and envelope enclosures, advertising of all kinds, talks before civic and social groups and over the radio. We are using every possible avenue of approach to reach those who may be qualified to vote by paying their poll tax or seeking an exemption certificate.

Our campaign, which is entirely non-partisan, is entailing some expense. If you believe in the value of this effort to stimulate the responsibility of the individual citizen for his government, we would be glad if you would help in this work.

We would appreciate a contribution of ten dollars (\$10), or any amount you may think fitting, to aid in defraying the expenses of this "pay your poll tax" campaign which is a special project outside the regular budget of our organization.

Very truly yours,

Smah Damelo

We are sending you under separate cover a package of broadsides like the one enclosed. We ask that you divide these among your teachers and have one given to each child in your school to take home for his parents' attention.

One hundred thousand of these broadsides are being distributed throughout Dallas County by the Dallas County League of Women Voters. Both the Superintendent of the County School System and The Dallas Public Schools are cooperating with us in our efforts toward putting one of these broadsides in every home in the county.

We feel that the importance of urging people to pay their Poll Tax and participate in their government by voting cannot be overestimated. Will you please urge your teachers to explain to their pupils that every citizens' right and privilege is to vote.

We will appreciate your cooperation with us in this project.

Yours very truly,

Sarah Daniels, President Dallas County League of Women Voters

A GUIDE

To Candidates for the State Legislature and the Most Important County Offices

for the

PRIMARY ELECTION

JULY 22, 1944

YOUR OBLIGATION AND PRIVILEGE AS A CITIZEN IS TO VOTE

1 CTARGED COMMEND 4

TO THE VOTERS OF DALLAS COUNTY:

During the past winter, the League of Women Voters conducted a vigorous and effective campaign to get Dallas County residents to pay their poll taxes in order to vote in the many elections of 1944. We now issue this GUIDE as a public service to the citizens of Dallas County, in order to help them make an intelligent choice among candidates for the State Legislature and the most important county offices which will be voted upon on July 22.

The League acts in the public, not special, interest. The League is nonpartisan. It never endorses or opposes candidates, nor aligns itself with any political party. It is a branch of a 25-year-old nation-wide organization of approximately 50,000 members in 1500 communities. It aims to arouse people to their responsibility for government and to act on government issues.

This GUIDE is paid for from the regular budget of the Dallas County League of Women Voters, which is subscribed by our members and other interested, civic-minded people. Contributions are never accepted from public office holders or aspirants for public office.

Two questionnaires were used. One was submitted to each candidate for the legislature from Dallas County. The other was submitted, in personal interviews, to each and every candidate for the most important county offices. In a few cases, interviews could not be arranged, and then contact by letter or telephone was attempted. Every reasonable effort was made to obtain answers; the few candidates who did not respond are listed as not replying.

In order to be a good citizen on July 22, inform yourself beforehand regarding candidates' qualifications; watch the newspapers for the list of polling places; take your poll tax receipt or your exemption certificate, and then VOTE.

> DALLAS COUNTY LEAGUE OF WOMEN VOTERS Mrs. H. A. Trexler, President Mrs. C. P. Brannin, Elections Committee Chairman

EXPLANATION OF TERMS USED IN QUESTIONNAIRES TO LEGISLATIVE CANDIDATES

- SECRET BALLOT. Texas is one of two states which does not have a secret ballot. Even when voting machines are used, the number on your ballot corresponds to the number opposite your name on your precinct roll.
- **MERIT SYSTEM.** Selection of employees on the basis of demonstrated ability to perform the required duties. Such a system can easily be tailored to fit the needs of any level of government — federal, state or local and is quite similar to the personnel systems used by progressive corporations. Characteristics of a merit system include: classifying examinations for employees already in the service, competitive examinations for those wishing to enter the service, probation periods, promotion within the service, and removal for cause.

-2-

QUESTIONS ASKED OF LEGISLATIVE CANDIDATES

Trail.

- 1. Do you think a general revision of the 40-year-old Terrell Election Laws to include the SECRET BALLOT necessary?
- 2. Do you favor the appointment of a JOINT LEGISLATIVE COMMITTEE to draft election laws?
- 3. Do you think that the MERIT SYSTEM as applied to State employees would make for greater efficiency in State Government?
- 4. What steps do you think should be initiated to overcome the inadequate CHILD LABOR laws of Texas?
- 5. Do you consider the INDUSTRIAL AND ECONOMIC WELFARE of the State of Texas as being dependent upon and one with that of the United States as a nation?

Note: In the following listing of candidates' answers, the above questions are referred to by the key words, which are printed in capitals.

CANDIDATES FOR STATE LEGISLATURE

* *

(In order of listing on ballot)

STATE LEGISLATURE

DUTIES. The Legislature is the policy forming branch of the State Government. Its work is mainly: (1) law making; (2) proposing Constitutional amendments; and (3) supervisory, such as investigating the work of any state official or agency and ruling on contested elections of various state officials. The Legislature has the power to impeach and remove from office any important state official. A Flotorial Representative in this district is elected by the voters of Dallas, Kaufman and Rockwall Counties. State Representatives for Places 1, 2, 3, 4 and 5 are elected by the voters of Dallas County alone. Term of office of all State Representatives: 2 years; salary, \$10 per day for 120 days in two years plus \$40 traveling expenses.

State Representative,

51st Flotorial District

PRESTON P. MANGUM. Born in Mission, Texas. Graduated Oak Cliff High School; LL.B. from University of Texas. General practice of law in Dallas. Flotorial representative since 1942.

1. SECRET BALLOT. "During the last session I helped promote legislation for a real secret ballot in Texas and shall, in the next session, if I am elected, continue to seek improvements in the election laws, in particular the secret ballot bill."

2. JOINT LEGISLATIVE COMMITTEE. "Yes, if handled properly."

3. MERIT SYSTEM. "Yes. I feel that the best qualified persons should hold state employment, with thought being given to the fact that there will be many men and women who will be returning from the armed forces who should be given preferential consideration."

4. CHILD LABOR. "There should be an adequate program, through publicity, directed to the mothers and fathers, management and labor, supplemented by a practical, well-founded system of labor laws. I have spent considerable time in study and work on this problem and have not been pleased with the present situation."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "I don't know; I have my opinion, but do not state it to be a fact."

Additional Comment: "While in the University of Texas I made an extensive study of state government and took advanced courses in political economics. I worked part time in the state capitol and received practical experience in the make-up of leg-islation while at the University."

State Representative, Place 1

LARRY MILLS. No answer to questionnaire.

JOHN L. CROSTHWAITE. No answer to questionnaire.

CLAUD C. WESTERFELD. Age, 60 years. LL.B. University of Texas, 1910. Law practice in Dallas, 34 years; former Assistant District Attorney, Dallas County; State Senator, Dallas County, 4 years.

1. SECRET BALLOT. "Yes. I spent more than two years trying to indict a group who had stolen elections."

2. JOINT LEGISLATIVE COMMITTEE. "I am in favor of it but am afraid the Committee may be hand-picked. I plan to draw up a number of amendments."

3. MERIT SYSTEM. "Yes, I am in favor of it."

4. CHILD LABOR. "While in the Senate I fought for a bill which would have taken the children out of sweat shops and from hard labor. Only a law conforming to the National Child Labor Act will take care of our problem in Texas."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "Yes, to a great extent. The slogan 'States' Rights' is legitimate in some instances, but in others it is wrong. For example, when large special interests can set prices and freight rates in the East, contrary to anti-trust laws, and enforce them here because we cannot under our laws reach them, then we naturally have to call on the Federal Government for help. State lines should not be permitted to interfere with good government."

MRS. J. T. HUGHES. Born in Dallas. Degree from T.S.C.W., Denton; S. M. U.; North Texas State Teachers' College. Junior high school teacher for 6 years; managed own ranch for 25 years.

1. SECRET BALLOT. "Yes."

2. JOINT LEGISLATIVE COMMITTEE. "Yes."

3. MERIT SYSTEM. "Yes, but I think the head of a department should have the right to remove an inefficient or uncooperative employee."

4. CHILD LABOR. "We should change the Constitution and introduce new legislation to remove the disadvantage of inadequate child labor laws."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "Yes."

Additional Comment: "I feel that I have further qualifications for a state representative in that, as a teacher, I understand the present needs of both teachers and children and as the mother of two sons in the service, I think I can understand the needs of the returning service men."

State Representative, Place 2

EDGAR L. SMITH. Age, 44 years; born in Leonard, Texas. Graduate of high school in Gainesville; engineering course at A. & M.; graduate of Y. M. C. A. Evening Law School, Dallas, 1926. General practice of law past 18 years.

1. SECRET BALLOT. "Yes. Should be made mandatory."

2. JOINT LEGISLATIVE COMMITTEE. "Yes."

3. MERIT SYSTEM. "Yes."

4. CHILD LABOR. "If I am elected I

will exert all my influence to obtain passage of a Child Labor Law, and in the event of my failure to do so, will urge compulsory school law to reduce juvenile delinquency."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "Yes."

Additional Comment: "I have been a student of political science since my admission to the Bar, having studied carefully the political questions and issues presented in and state-wide major political national races."

W. O. REED. Age, 42 years; born in Dallas. Passed law examination in 1931. In State Legislature since 1931. Member of legal staff of a railroad company.

1. SECRET BALLOT. "The Terrell Elec-tion Law will have to be amended at the next session, but it may be better judgment to handle the secret ballot bill as a separate bill."

2. JOINT LEGISLATIVE COMMITTEE. "No, because of the political aspect involved. The law should be drawn by the Attorney General."

3. MERIT SYSTEM. "I am not necessarily opposed to a merit system, but doubt that it would improve the efficiency of employees. I should like to study any proposed bill first."

4. CHILD LABOR. "I have been working for the passage of adequate Texas laws."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "I am a firm believer in the principle that we are a people united together and must never be divided, but there are certain states' rights that must not be violated."

W. J. REID. No answer to questionnaire.

State Representative, Place 3

SAM HANNA. No answer to questionnaire.

WALLACE C. REILLY. Age, 44 years; born in Dallas. High school graduate; A. & M. College. Legislative agent for A. F. of L. at Austin, 1932-36; publisher of A. F. of L. paper; Selective Service Board chairman; served on War Labor Board panel.

1. SECRET BALLOT. "I am in favor of bringing election laws up to date, and I think we should certainly have a secret ballot."

2. JOINT LEGISLATIVE COMMITTEE. "I would approve of a Joint Legislative Committee to draft new election laws." 3. MERIT SYSTEM. "I believe in the

merit system for state employees."

4. CHILD LABOR. "I would go to extreme limits to bring the child labor laws of Texas up to Federal standards."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "I think we must join with the balance of the nation in pushing the war effort, but when the war is over there are many things which should be taken care of by Texas law."

Additional Comment: "I feel that I am further qualified for State Representative because, having served on various boards, I think I know the needs of the people and because my experience at Austin has enabled me to understand the methods of procedure in the Legislature."

State Representative, Place 4

HOMER A. DAVIDSON. Age, 39 years; born in Dallas. High school graduate; A. & M. College. Farmer; small business man; now in labor relations work at aviation company.

1. SECRET BALLOT. "Yes; the present laws are out of date."

2. JOINT LEGISLATIVE COMMITTEE. "Yes."

3. MERIT SYSTEM. "Yes."

4. CHILD LABOR. "We should correct the inequalities among our children and safeguard their interests through the enactment of proper child labor legislation. We should properly care for the orphaned and underprivileged children of Texas."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "Yes. The people of Texas should be given the same opportunity to expand economically and industrially as citizens in other states, and proper legislation to attain that end must be enacted. If I am elected, I also propose to work for the rehabilitation of the men and women in our Armed Forces when they are dismissed from service."

GEORGE PARKHOUSE. Age, 44 years; born in Cisco, Texas. Public schools in Dallas; old Wesley College, Greenville. State Legislature 1932-1934, and again since 1942. Salesman, advertising business.

1. SECRET BALLOT. "I moved the passage of the secret ballot bill when it was introduced in the House in the last Legislature; I gave it every support possible."

2. JOINT LEGISLATIVE COMMITTEE. "Yes."

3. MERIT SYSTEM. "So far as I have been able to learn, the merit system in the departments where it is now used has met with general public approval and has made for increased efficiency in those departments."

4. CHILD LABOR. "Texas has long left much to be desired in the passage of laws protecting the young. Such laws can come only as a response to an enlightened public sentiment. When it is possible to pass such laws, I will be glad to aid in their passage."

- 5 -

5. INDUSTRIAL and ECONOMIC WEL-FARE. "Yes. The great economic wealth of Texas constitutes a tremendous public trust to be handled by those of her citizens that are chosen for public office. It behooves all of us to do everything in our power to administer this wealth in such a way as to elevate the general standard of living of our people."

State Representative, Place 5

DALLAS BLANKENSHIP. Age, 46 years; born in Milam County. Graduate of S. M. U. and University of Texas. Served in World War I. Oil business; advertising business; private law practice for 15 years. State Representative since 1936.

1. SECRET BALLOT. "Yes."

2. JOINT LEGISLATIVE COMMITTEE. "Yes."

3. MERIT SYSTEM. "I voted for the bill to establish a merit system."

4. CHILD LABOR. "I always discuss these matters with informed groups."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "Each state is partially dependent on the United States, but many problems can be worked out through the resources and efforts of the individual states."

HOMER T. SEALEY. Age, 49 years; born in Henderson, Texas. High school; two years of college; three years of law study. Wounded in World War I. Former traffic officer in Dallas; special investigator for District Attorney, Dallas County, 1921-23; sergeant of police, Highland Park, 5 years; City Tax Assessor, San Antonio, 1929; state highway patrol, 1932. Has own bonding business.

1. SECRET BALLOT. "The law should be rewritten; the old law should be repealed."

2. JOINT LEGISLATIVE COMMITTEE. "The election law should be drafted by the Legislature with the approval of the Attorney General, so that no part of it can be declared unconstitutional."

3. MERIT SYSTEM. "I certainly do."

4. CHILD LABOR. "Texas should enact a child labor law to conform to the Federal law."

5. INDUSTRIAL and ECONOMIC WEL-FARE. "We should work closely with the Federal Government until the war is over. Then we should plan to depend more on our own resources."

EXPLANATION OF TERMS USED IN QUESTIONNAIRES TO COUNTY CANDI-DATES

- **MERIT SYSTEM.** Selection of employees on the basis of demonstrated ability to perform the required duties. Such a system can easily be tailored to fit local needs and is quite similar to the personnel systems used by progressive corporations. Characteristics of a merit system include: classifying examinations for employees already in the service, competitive examinations for those wishing to enter the service, probation periods, promotion within the service, and removal for cause.
- HOME RULE AMENDMENT. Constitutional amendment passed in 1934 which allows any Texas county, by majority vote, to change its form of government according to its desires.
- **REALLOCATE COUNTY FUNDS.** Refers to the constitutional amendment which will be voted upon in the General Election, November 7. This amendment provides that the Commissioners' Courts of counties may reallocate county tax levies by vote of qualified property tax-paying electorate. The total of such reallocated taxes shall not exceed 80 cents on the \$100 valuation.

QUESTIONS ASKED OF COUNTY CANDIDATES

- 1. Do you favor extending the MERIT SYSTEM in Dallas County government?
- 2. Do you approve of an increase in appropriations for HEALTH AND WEL-FARE purposes?
- 3. Do you feel that the HOME RULE AMENDMENT should be acted upon? What changes in county government would you like to see take place?
- 4. (For Commissioners' Court members only). If the amendment passes to REALLOCATE COUNTY FUNDS and if it becomes the part of the Commissioners' Court to act, how would you propose distributing funds?

Note: In the following listing of candidates' answers, the above questions are referred to by the key words, which are printed in capitals. *

CANDIDATES FOR COUNTY OFFICES

(in order of listing on ballot)

DISTRICT COURTS

Judge of 14th District Court Term, 4 years; salary \$7500

DUTIES. District Courts are primarily courts of original jurisdiction extending to divorce cases, land suits, libel and slander, and contested elections. They also serve as appeal courts for administering and probating wills and other business involving estates. In Dallas County there are both civil and criminal district courts. The district judges appoint the County Auditor, and in conjunction with the County Judge they appoint the County Juvenile Officer and serve as the County Juvenile Board.

SARAH T. HUGHES. Age, 48 years; born in Baltimore, Md. B.A. degree from Goucher College, Baltimore, LL.B. from George Washington University Law School, 1922. Member of Business and Professional Women's Club, Amer. Assn. of Univ. Women, Zonta, Democratic Women of Dallas County, Democratic Women's Luncheon Club, American Bar Assn., Bar Assn. of Texas, Dal-las Bar Assn. Schoolteacher, 2 years; private law practice; State Legislature 1931-1935; judge of 14th District Court since 1935.

1. MERIT SYSTEM. "I believe strongly in the merit system and think it should be extended to all departments of county government."

2. HEALTH AND WELFARE. "Appropriations should be adequate but I do not know whether increase is needed at this time."

3. HOME RULE AMENDMENT. "I do not favor acting on the Home Rule amendment now, but there are many changes that could be made without constitutional amendment."

JIM GUTHRIE. Age, 47 years; born in Sa-lado, Texas. B.A. degree from Baylor University; 12 months law study at Baylor, 9 months work on M.A. degree. Member of Masonic lodge. High school teacher before 1924; former school superintendent; former Jefferson Law School teacher; law practice since 1924. Former Assistant District Attorney and Assistant City Attorney at Waco, former Justice of the Peace at Waco.

1. MERIT SYSTEM. "Yes."

2. HEALTH AND WELFARE. No opinion.

3. HOME RULE AMENDMENT. "I do not think a candidate should take a stand on this unless his opponent takes a particular position.'

Additional Comment: "I think my experience as Assistant District Attorney and Assistant City Attorney and Justice of the Peace qualifies me for work with juveniles."

Judge of 95th District Court Term, 4 years; salary \$7500

DICK DIXON. Age. 46 years; born in Dal-las. Graduate of S.M.U.; studied law in a Dallas law office and passed the bar examination in 1923; private law practice; attorney for City of University Park, 8 years; judge of 95th District Court, 6 years; now on leave of absence, serving as a major in the U. S. Army, in Australia.

Judge of Criminal District Court No. 2

Term, 4 years; salary, \$7500

HENRY KING. Age, 49 years; born in Honey Grove, Texas. LL.B. from Baylor University, 1925. Member of Masonic lodge, Oak Cliff Kiwanis Club, director of Oak Cliff Chamber of Commerce. Enlisted man in field artillery in World War I; commissioned major in AMG in 1943, received medical discharge in May, 1944. District Attorney under Shelby Cox and Bill Mc-Craw; Judge of County Criminal Court, 1932-36; Judge of Criminal District Court

No. 2 since 1936. 1. MERIT SYSTEM. "There should be no politics in the Auditor's office or in the Juvenile Department. Elected officials can't eliminate patronage. I am in favor of changing the Juvenile system to put appointments more on the basis of merit. The merit system would be silly, however, in some county offices. For instance, I appoint two bailiffs-they need no qualifications, they need no experience; I appoint

Christian gentlemen." 2. HEALTH AND WELFARE. "Money for these purposes should be more widely distributed through taxation than it has been in the past; the door should be left open, however, for voluntary contributions. These funds should not be cut down while the cost of living is high." 3. HOME RULE AMENDMENT. "I have

not been in favor of this amendment. The Manager form of government is a step in the direction of dictatorship and away from democracy. I think changes in county government should be made very slowly.

Judge of Criminal District Court (Short Term)

Term, to Dec. 31, 1946; salary \$7500

W. C. (BILL) GRAVES. Age, 49 years; born in Franklinton, La. High school; studied law at night while working as clerk for a railroad. Member of High Noon Club and various fraternal organizations. U. S. Navy in World War I; Assistant District Attorney, by appointment, 1923-24; City Judge, City of Dallas, 1925-27; Police and Fire Commissioner, City of Dallas; State Senator, 1938-42. No answer to questionnaire.

WINTER KING. Age, 49 years; born in Eastland, Texas. LL.B. from University of Texas, 1915. Member of Masonic lodge, Oak Cliff Kiwanis Club, American Legion. Practiced law in Dallas before and after World War I; lieutenant in Army Intelligence in World War I. Assistant District Attorney for 7 years under 3 District Attorneys; elected Judge of County Criminal Court, 1936; re-elected 1938, 1940 and 1942.
 MERIT SYSTEM. "Yes."
 HEALTH AND WELFARE. "Yes. I

feel this is a very important duty."

3. HOME RULE AMENDMENT. "I do not feel qualified to speak of changes desirable in the county administrative offices. However, we should consider whether we want a whole changed plan of county gov-ernment or changes of individual procedures, etc. In the field of the judiciary, court procedure has been greatly improved; it is now flexible; and dockets have been speeded up."

DISTRICT ATTORNEY

Term, 2 years; salary, \$7400

DUTIES. Represents the County and the State in legal matters.

DEAN GAULDIN. Age, 49 years; born in

Dallas. University of Virginia and Cumberland University. Member Dallas Bar Assn., various fraternal organizations; 25 years in private law practice and in public office, including Assistant City Attorney, City of Dallas, 1924-26; former Assistant District Attorney, Dallas County; District Attorney since 1940.

1. MERIT SYSTEM. "It is impractical in the present county set-up where officials are elected. It works in the County Juvenile Department because the head is appointed."

2. HEALTH AND WELFARE. "I have no knowledge of these matters as they are not under my jurisdiction."

3. HOME RULE AMENDMENT. "The amendment should be acted upon; let the people decide what form of government they want. Much education will be necessary before any major changes are made."

DOSS HARDIN. Age, 33 years; born in Prairie Hill, Texas. High school and commercial college, Dallas; Jefferson Law School, Dallas. Member Knights of Pythias. Private law practice; former State Senator from Limestone County; former Assist-ant State Attorney General; former special prosecutor for State Railroad Commission, in Dallas.

MERIT SYSTEM. "Yes."
 HEALTH AND WELFARE. "Yes."

3. HOME RULE AMENDMENT. "I have not studied the matter."

DISTRICT CLERK

Term, 2 years; salary \$7400

DUTIES. Chiefly clerical; they include posting of dockets and cost records and administration of certain trust funds. The District Clerk is the head clerk for the eight District Courts and appoints a clerk for each of them.

PEARL SMITH. Born in Hill County, Texas. Commercial college in Dallas. Member of Business and Professional Women's Club, Zonta, Eastern Star. First woman election judge in Dallas County; has been deputy tax collector, first woman deputy sheriff, deputy constable, deputy tax assessor, sec-retary to County Judge. District Clerk since 1938.

1. MERIT SYSTEM. "The merit system has disadvantages, but I do not favor the usual political appointment system. I feel that county jobs are definitely for residents of Dallas County rather than for outsiders.'

2. HEALTH AND WELFARE. "Yes."

3. HOME RULE AMENDMENT. "Improvements are already being made wherever needed."

-8-

COUNTY COURTS

DUTIES. These courts have original jurisdiction, both civil and criminal, within certain limits. They have appellate jurisdiction in all criminal cases originating in the court of a justice of the peace and in civil cases from a justice's court in which the judgment is more than \$20.

County Court at Law No. 1 Term, 2 years; salary \$6000

TOM NASH. Age, 44 years; born in Dallas. B.A. and LL.B. from the University of Texas. Member of Masonic lodge, American Legion, past president Junior Chamber of Commerce. Present judge of County Court at Law No. 1. 1. MERIT SYSTEM. "Yes." 2. HEALTH AND WELFARE. "There

should be adequate appropriations." 3. HOME RULE AMENDMENT. "I can

speak only of improvements made in the courts. With the recent changes adopted by the legislature, the State Supreme Court now makes the rules of procedure, and this facilitates trying cases on their merits and avoids many technicalities. In time, further progress can and will be made."

County Court at Law No. 2 Term, 2 years; salary \$6000

OWEN GEORGE. Age, 41 years; born in Sheridan, Mo. Univ. of Missouri. Member of Oak Cliff Kiwanis Club, I. O. O. F., Bonehead Club. Assistant District Attorney, 1930-35; present judge of County Court at Law No. 2, now on leave of absence as captain in the U. S. Marines.

1. MERIT SYSTEM. No comment.

2. HEALTH AND WELFARE. "Yes."

3. HOME RULE AMENDMENT. "We have a good county government."

COUNTY COMMISSIONERS

Term, 2 years; salary \$4800 DUTIES. The four County Commission-

ers, one elected from each district, and the County Judge, form the Commissioners' Court, whose powers deal with health, welfare and relief activities; maintenance of county buildings; acquirement of rights of way; approval of accounts; establishment of the budget; approval of deputies and assistants of other county officers; establishing of election districts; ordering of elections, etc. Individually, each Commissioner is responsible for most of the secondary roads and bridges in his district, which involves maintenance of highway equipment and appointing of employees.

County Commissioner, District 1

LYNN V. LAWTHER. Age, 40 years; born in Dallas County. Private school in Dallas, A. & M., S. M. U. Member of Kiwanis and Dallas Athletic Club. Worked for an electric company and a feed mill; has private insurance agency; Police and Fire Commissioner of University Park, 1938-42; County Commissioner since 1942.

1. MERIT SYSTEM. "I am in favor of the merit system. Although it is not mandatory in my department, I feel that I employ people in District 1 according to the merit system."

2. HEALTH AND WELFARE. "If necessary, but I do not believe it is at this time."

3. HOME RULE AMENDMENT. "This amendment should be acted upon if the majority of the people want it to be."

4. REALLOCATE COUNTY FUNDS. "If the amendment to reallocate county funds passes, I would favor more money for hospitals and welfare."

County Commissioner, District 2

H. C. REEVES. Age, 46 years; born in Greenville, Texas. Public schools and Wesley College, Greenville. Member of U. A. W. Mechanic and salesman.

1. MERIT SYSTEM. "Yes." 2. HEALTH AND WELFARE. "Yes."

3. HOME RULE AMENDMENT. "In regard to changes in county government, I believe in making any improvement that seems necessary in the interest of health and welfare. I also feel county equipment should never be used for private enterprise. Inequalities in taxes should be adjusted."

4. REALLOCATE COUNTY FUNDS. "I have not studied this question."

BUCK FRANK. Born in Dallas County. Overseas veteran of World War I. Present County Commissioner from District 2. No reply to questionnaire.

J. E. BRUTON. Age, 56 years; born in Dallas. Public schools in Dallas. Farmer; cotton ginner; developer of home additions. 1. MERIT SYSTEM. "Yes."

2. HEALTH AND WELFARE. "Yes."

3. HOME RULE AMENDMENT. "I have not studied this matter."

4. REALLOCATE COUNTY FUNDS. "I need to give this matter further study before answering."

County Commissioner, District 3

JOHN ROWLAND. Age, 60 years; born in Hutchins, Texas. Public school and night school in Dallas County. Member of various fraternal organizations. Engineer with Government; deputy sheriff, 1934-42; County Commissioner, District 3, since 1942. 1. MERIT SYSTEM. No answer. 2. HEALTH AND WELFARE. "I have

stood for increases in welfare appropriations, for the Industrial School at Hutchins especially."

3. HOME RULE AMENDMENT. think the county government is all right."

4. REALLOCATE COUNTY FUNDS. "If the amendment to reallocate county funds passes, I would favor first getting the General Fund out of the red, then reallocate where money is needed.

- 11 -

for 10 years; County Commissioner, District 4, since 1942.

1. MERIT SYSTEM. "Yes. After a good system which will be out of politics has been worked out, it should be extended throughout the county government.

2. HEALTH AND WELFARE. "At present we do not need increased appropriations as there are jobs for crippled and handicapped, but when the war is over there will be a need for more money in these funds."

3. HOME RULE AMENDMENT. "In regard to changes in county government, Commissioners should not be elected from districts but from the county at large. After the war we need revaluation of properties for tax purposes. In general, by avoiding duplications in offices and duties there could be much improvement in county government."

4. REALLOCATE COUNTY FUNDS. "If the amendment to reallocate county funds passes, I would favor first paying off the overdraft in the General Fund, and then directing more money to the Juvenile Department and hospitals."

JOHN E. MORGAN. Age, 50 years. Public school and business college in Dallas. Member of Masonic lodge, American Legion, V. F. W. Overseas service with Army Engi-neers in World War I. Farmer; varied construction work, including supervising. Since 1936, Engineer Inspector in charge of Fed-eral aid work under Civil Service, much of it in Dallas County

1. MERIT SYSTEM. "Absolutely, if it is based on qualifications and ability and follows, substantially, the Government civil service requirements."

2. HEALTH AND WELFARE. "Yes. County library appropriations should also be increased, and other merited increases are needed in order to keep Dallas County abreast of its growth."

3. HOME RULE AMENDMENT. "So serious a problem as this should await the return of our soldiers and be acted upon when war hysteria is over and there will be more interest in the matter."

4. REALLOCATE COUNTY FUNDS. "If the amendment passes, I would favor re-allocating in a fair and just manner, with the object in mind to adjust the funds more equally even though an increase (general) in taxes during these more prosperous years is indicated. There should be a contingency fund, a substantial one, set up to take care of, for instance, the present health requirements, epidemics, flood damages to county roads and bridges heavier in one district than another, etc. The expenditure of the contingency fund should be endorsed by the Commissioners' Court as a whole."

Something to think about: A HEALTHY DEMOCRACY

"You can tell when a democracy is healthy by the quality of functions performed by private initiative -- not the number but the quality. And when a democracy is sick, it is because it no longer can generate within its private groups the initiative and the energy to perform new and inventive tasks."

DALLAS COUNTY LEAGUE OF WOMEN VOTERS

October 16, 1944

Sent to approx 100 woman's clubs of balas county - clubs listed in file on "abdress Lists - mise."

Dear President:-

Sixty percent of the qualified voters in the United States this year are women. Therefore it is of the utmost importance that women faithfully discharge their responsibility as citizens by voting on November 7th.

Will you have your telephone committee remind each member of your organization to go to the polls and vote on November 7th?

Saturday, Monday and Tuesday, November 4th, 6th, and 7th, the Dallas County League of Women Voters will maintain a booth on the first floor of Neiman Marcus Company to answer questions concerning the mechanics of voting. Will you make this announcement to your organization?

Enclosed is a flier explaining the State Constitutional Amendments which will also be on the ballot. Will you give . this information as much publicity as possible?

I am sure you will agree that any club program or project is dwarfed by the urgency of this call to women to exercise their privilege as citizens.

We thank you for your co-operation.

Yours sincerely,

DALLAS COUNTY LEAGUE OF WOMEN VOTERS

President.

VOTE THE WHOLE BALLOT

Your vote on November 7th will elect a President and a Congress. Nothing can be more important than that! BUT

THERE ARE ALSO STATE CONSTITUTIONAL AMENDMENTS TO VOTE ON.

Do you know what these amendments are?

Do you know what these amendments mean?

Do you know that one-half of the amendments submitted to the voters are defeated, largely because they are not understood?

BE ABLE TO VOTE THE WHOLE BALLOT INTELLIGENTLY-AMENDMENTS AS WELL AS CANDIDATES

For Your Information

Two Amendments on Pensions-

- 1. Provides authority for any Texas city or town to set up a system of retirement and disability pensions for its appointed officers and employees, but any pension system would have to be approved by the qualified voters of the city or town concerned.
- 2. Provides authority for the Legislature to set up a system of retirement and disability pensions for appointed officers and employees of Texas cities and towns, with participation in the plan by cities or towns on a purely voluntary basis and with the Legislature prohibited from making appropriations to pay any of the cost of the system.

These Amendments supplement each other and clarify the present Municipal Pensions situation. They do not make pensions compulsory for your city or town—they merely make them possible if the qualified voters desire them.

One Amendment on County Finances-

Provides authority for the Commissioners' Court of any county to re-allocate county tax levies if the qualified property tax paying electorate so votes, and provides that the total of re-allocated taxes is not to exceed 80c on the \$100 valuation.

Such an amendment has no glamour but, if passed, it can be beneficial to your county.

Perhaps your county's General Fund is too small to pay for the services you want your county to furnish the aged, the sick, and delinquent, dependent and neglected children.

Perhaps your county needs more money for roads and bridges or for permanent improvements.

This amendment, if passed, would allow the qualified property tax paying voters of your county to put more money in the General Fund or the Road and Bridge Fund or the Permanent Improvements Fund if they so desire.

This is true Home Rule in the matter of county finances—with the people saying how they want their money spent—and it is not possible unless this amendment is adopted.

Perhaps your county has had to borrow in order to meet expenses and is paying interest on this loan. Many times, re-allocation of funds would do away with borrowing and thus save your county the money spent for interest. And not having to pay interest may mean lower taxes for you.

This amendment does not make re-allocation compulsory—it merely makes it possible if the qualified voters desire it. Your county may not want re-allocation now, but in the future it may, and the way to make it possible in the future is to vote for this amendment now.

Women Voters Urged to Action In Planning Peace

"Every American citizen's responsibility to take an active interest in the policies of his government has increased ten fold now that the Dumbarton Oaks conference has paved the way for the formation of an international organization to secure future world peace, Mrs. Henry A. Taylor, honorary guest of the Dallas County League of Women Voters and president of the Kentucky State League, said at a Dallas League luncheon Wednesday at the Dallas Athletic Club.

Mrs. Ruric N. Smith, former president of the Oklahoma State League and former member of the national board of the League of THE DALLAS MORNING NEW Women Voters, was also an honored guest and speaker.

"The League of Women Voters' campaign launched here encourages Dallas women to do three things: They must read all available material on peace plans, reflect upon their reading and discuss their personal viewpoints, then write their opinions to the State Department in Washington."

Mrs. Smith said that Americansmust overcome their fear of British and Russian policies if they expect the peace to be a lasting one.

A Reporter's Report to the Nation

Just before D-Day, a German mystery ship dropped anchor in the Bay of Vigo, on the northern coast of Spain. A few days later, agents of the Spanish Republican underground noticed a thin wisp of smoke coming from one of the ship's funnels. Three of them went out in a launch after dark to investigate . . . As they approached the ship, a submarine surfaced under them, overturning their launch. The sub's machine gun killed two of the Spanish Republicans, but the third got away and tipped off the British . . . And that, Adolf, is why your mystery ship—actually a floating submarine repair base—was attacked and sunk by British planes shortly thereafter.

RAF flyers know Vigo well. Since 1940, every British plane which has chased Nazi subs and surface ships into Vigo, Ferrol and other Spanish ports has been attacked by ack-ack batteries mounted by the Nazis and manned by Nazi-Falangist mixed crews on Spanish soil.

Vigo is Hitler's chief coastal base in Spain. German subs enter Vigo's Rios Chappella port at night, where they refuel, rearm, and refill their food and water lockers . . . Vigo has two yards which repair Nazi subs damaged by British and American forces in the Mediterranean. And two Nazi war plants, including the "La Artistica" works, which turns out bomb shells for the Wehrmacht. And that plant which turns out electric motors under Gestapo supervision . . . Until the allied landings in North Africa, Vigo was jammed with German soldiers and submarine sailors in they uniform. After Tobruk, switched to civvies . . . But they

arigs, an, bon ler, ea-1 still sail from Vigo at night to kill British and American seamen.

Ferrol, also on Spain's northern coast, is Hitler's number two base in Spain. Here Hitler's subs are supplied, fueled and provisioned. The shipyards of Ferrol specialize in repairing damaged Nazi subs and torpedo boats . . The great explosion which in 1943 destroyed the main repair base for Nazi subs in Ferrol was the work of the Spanish Republican underground. The yards haven't been the same since.

Hitler has been building air bases in Spain since 1939, when his troops put Franco in "power." "Persistence is the middle name of the League of Women Voters. From the last legislature we almost--but not quite--secured a secret ballot for Texas, a ballot which could not be checked back to the individual voter. And in this coming legislature we are asking for a secret ballot again, as directed by the League's State Convention last June.

A major reason for our defeat in the last legislature was lack of pressure to vote for a secret ballot from the constituents of rural legislators. Rural legislators out-number city legislators by 5 to 1, so the importance of acquainting people in rural districts with the secret ballot bill cannot be overestimated if we are to succeed in this coming legislature. League members can help tremendously through supplying names of friends and acquaintances all over Texas. Between now and Wednesday, please cudgel your memory for names of people you know throughout the state, and then come to the meeting on Wednesday prepared to list names and addresses of those to whom we may send literature about the secret ballot bill, either using your name : or not, as you prefer.

Until the legislature convenes, these lists are the biggest help League members can give toward furthering the secret ballot bill. Your aid on Wednesday may literally mean the difference between failure and success of the bill in the coming legislature."

REGULAR MONTHLY MEETINGS: General membership meetings - 3rd Wednesdays Discussion group meetings - 2nd and 4th Wednesdays Board meetings - 1st Thursdays

Oct. 4 - Board meeting - Home of Mrs. Martin Row, 10:30 a.m.

Oct. 10- Discussion group -"Government and Our Minorities" Chairman. Miss Edna Rowe.

> Have you ever attended a discussion group? Oh, you haven't time to go regularly and dislike hearing only one of a series on a particular subject? Then these discussion groups are your meat! Each discussion is complete in itself tho there may be a series on one subject. Come once, or once in a while (if you can't come regularly) for informed, enlightening stimulating discussion on current governmental issues. Those who can come regularly are especially lucky. One member, a business woman, takes her lunch hour to come to the meetings.

Oct. 17- Membership Tea.

Our first general meeting of the fall. Save the date and make a list of your friends whom you plan to invite. You will receive another bulletin the week before the tea giving you details of hour, place, program.

What's been happening in the League - -

The luncheon meeting in July with Felix McKnight as speaker was a humdinger. Eighty members enjoyed some first hand comments on the United Nations Conference from Mr. McKnight who was on hand to see and hear, and had the wisdom to assimilate the proceedings. If you weren't there, you missed one of our best meetings to date.

The membership committee reports over 200 paid memberships. Their work has been continuous through the summer.

The discussion group is stopped by neither rain, nor heat, nor the multitudinous jobs of its members. It met all summer long to keep its members abreast of the complicated problems confronting us through our government in these crucial months.

The year-book committee will have the year-books ready for the reassembly membership meeting October 17. Do let them know how much you appreciate the labor they put in checking names, addresses and phone numbers of members.

Dear League Members:

Cordial greetings to you all, and thanks for your splendid work and "esprit de corps" while your president was attending the United Nations Conference in San Francisco! With the aid of Anne Johnstone, our National Consultant, I was able to attend three sessions a day for the entire last ten days that marked the thrilling closing chapter of the U.N.C.I.O.

My first impression was of CIAMOR; glamor of setting, glamor of state props, glamor of personalities, and glamor of subject.

My next impression was that of the Sincerity and Simplicity of all the delegates. This was true of the presiding officers, Morganstierne of Norway, Smuts of South Africa, and Lord Halifax. It was true of Evatt of Australia making his most dramatic and persuasive speeches. It was true of the delegates from the Netherlands, Peru, Columbia and New Zealand, as they told why they voted for or against the controversial veto power. All agreed finally that it was a "Charter with the veto - or no Charter". There was gratitude on the part of the smaller nations for their large share of responsibility in making the Charter, and there was confidence in the larger nations for the moral obligation of guaranteeing peace and in working together.

My third impression was of Success. Every delegate glowed with confidence and promised his enthusiastic support. They mentioned the importance of erasing their early differences by getting together and exposing their problems and finding ways of agreeing. Often they argued over nothing but grammar. They all agreed that though the Charter was not perfect in form, the intent was good. They agreed that secrecy was a poor policy and just as National Parliaments are open to the public so should the World Assembly b9. When every delegate rose in final unanimous vote for the Charter, Lord Halifax said in solemn tones, "This is the most thrilling moment in my life and in the lives of every member here present!" This was surely true, for the thrill of a successful closing hovered over us all.

On the final night I met many of the delegates and with varying impressions: Russia seemed young in world diplomacy, young and frightened. England was not at all as supercilious as her delegates often appear.

Many of the South American delegates were known for their advice on International Law.

Evatt of Australia was the real leader of the smaller nations.

Stettinius was the most charming of all the delegates. He was famous for entertaining, which played an important part in mutual understanding. He received all the official thanks in the most gracious manner.

Vandenberg was the most often quoted by different speakers who gave him their warm agreement.

Stassen seemed to be the star. He was constantly mentioned by delegates and consultants as having been the one to give the most real leadership on all crucial matters.

I am grateful for the opportunity of glimpsing so impressive an assembly, of seeing such an objective design of progress in human civilization, and in realizing how important a part we Leaguers had in creating a background of favorable public opinion. But vanishing war depends not on the words of a Charter but on the spirit of those who abide by it, and in the confidence and good-will of all men. There is still a great challenge to each one of us in our United Nations Campaign.

As our year-book goes to press we have a total membership of 200. Just think of the influence 200 women armed with facts and with one purpose, good government, can wield in a community. It stimulates the imagination as we start on our year's program. There is a way in which we may all participate, if only to keep aware of significant events and in conversation to interest others. Women everywhere are just as anxious to work for peace as they were to do some kind of war work. Thank you for your wholehearted support of our big and vital job!

Sincerely yours, Regalieth Com Row

THE SECRET BALLOT BILL --- What has happened so far?

In mid-January House Bill 36 on the Secret Ballot was introduced by Representative Donald Markle of Galveston with 20 co-signers, which included all Dallas County delegates. In the Senate Bill 48 was introduced by Senator J. A. Stanford of Austin, with five co-signers including the Senator from this district. The Austin League will attend in a body, the House committee public hearing of the bill on February 26. Contacts have been made in Austin with 59 Representatives and 17 Senators. Plans call for contacts with other Senators and Representatives before the date of the public hearing.

CHARTER AMENDMENTS

To Be Submitted at An Election to Be Held April 3rd, 1945

"Shall the existing Charter of the City of Dallas be amended by adding thereto Section 4-(a), which shall read as follows:

Section 4-(a). As an alternative method of enlarging or extending the corporate boundaries, the City Council shall have the power by ordinance to provide for the alteration and extension of said boundary limits, and the annexation of additional territory lying adjacent to the City, with or without the consent of the territory and the inhabitants annexed. Upon the introduction of any such ordinance in the City Council, it shall be published one time in the newspaper designated as the official newspaper of the City of Dallas, however amendments may be incorporated into the proposed ordinance without the necessity of publishing said amend-ments and without the necessity of republication of said ordinance as amended. The proposed ordinance shall not thereafter be finally acted upon until at least thirty (30) days have elapsed after the publication thereof; and upon the final passage of any such ordinance, the boundary limits of the City shall thereafter be as fixed in such ordinance, and when any additional territory has been so annexed, same shall be a part of the City of Dallas, and the property situated therein shall bear its pro rata part of the taxes levied by the City, and the inhabitants thereof shall be entitled to all the rights and privileges of all the citizens and shall be bound by the acts, ordinances and resolutions of the City."

"Shall the fourth paragraph of Section 13 of the existing Charter of the City of Dallas be amended so that said paragraph shall hereafter read as follows:

In the event the Town of Highland Park and the City of University Park, or either of them, are consolidated with the City of Dallas as a result of an election held April 3, 1945, a quorum shall consist of seven members except where the number of Councilmen, due to vacancies, is reduced to less than seven, in which event a quorum shall consist of all of the remaining councilmen; but a less number than a quorum may adjourn from time to time and compel the attendance of absent members in such manner and under such penalties as may be prescribed by ordinance."

"Shall Section 78 of the existing Charter of the City of Dallas be amended by adding thereto an additional paragraph which shall read as follows.

In the event the Town of Highland Park and the City of University Park, or either of them, are consolidated with the City of Dallas as a result of an election held April 3, 1945, all policemen and firemen lawfully and regularly employed at that time by either of said municipalities, if employed or appointed by the City of Dallas, shall be entitled to include their prior years of service in either or both of said muncipalities, toward maturing and calculating the additional compensation authorized under this section." "Shall Section 109 of the existing Charter of the City of Dallas be amended by adding thereto an additional paragraph which shall read as follows:

In any election where the consolidation of the Highland Park Independent School District and the Vickery Independent School District is excluded from that of the School District of the City of Dallas or in the case of any other consolidation or annexation where any independent school district or common school district is excluded, so that any consolidated or annexed area shall be taken into the City of Dallas for municipal purposes only, neither the Board of School Trustees of the City of Dallas, nor the Governing Body of the City of Dallas, shall exercise any authority whatsoever over the Highland Park Independent School District, the Vickery Independent School District, or any other independent or common school district excluded from the consolidation or annexation. Neither shall the Governing Body of the City of Dallas levy any ad valorem taxes for the support of public school education or for the creation of interest or sinking fund on school bonds on any taxable property located in the Highland Park Independent School District, the Vickery Independent School District, or any other independent School District or common school district which is excluded from consolidation or annexation to the City of Dallas, and no appropriation shall be made from its general fund by the City of Dallas for school purposes unless a consolidation of these school districts shall hereafter have been accomplished in the manner required by law."

"Shall Section 125 of the existing Charter of the City of Dallas be amended by adding thereto an additional paragraph which shall read as follows:

In the event the Town of Highland Park and the City of University Park, or either of them, are consolidated with the City of Dallas as a result of an election held April 3, 1945, all persons in the employ of either of said municipalities at the time of said consolidation holding positions or offices which would be in the classified or unclassified service as defined and established by the Charter of the City of Dallas at the time of said consolidation, and who have been filling said positions or offices for the consecutive period of six months or more prior to the time of said consolidation, shall be eligible for appointment to any position in the classified service as defined by Section 116, Charter of the City of Dallas, for sixty (60) days after the date of certified consolidation, without the necessity of compliance with Civil Service rules and regulations as to qualifications, provided a vacancy exists and the appointment or employment is within the authorized power of the City Manager."

"Shall the existing Charter of the City of Dallas be amended by adding thereto Section 340 which shall read as follows:

Section 340. In the event the Town of Highland Park and the City of University Park, or either of them, are consolidated with the City of Dallas by election held April 3, 1945, two additional members shall be added to the City Council who shall in all respects meet all of the qualifications fixed by the Charter and law and have all the duties, rights and functions given each member of the Council by the Charter and law, and shall occupy Council places Numbers 10 and 11. The City Council shall, in the event of such increased Council membership, immediately subdivide the city into seven districts on as nearly an equal population basis as is practicable, the boundaries of said districts to be defined by ordinance, and the additional district thereby created shall be known as District "G." No person shall be eligible as a candidate for member of Council Place No. 10 unless he is at the time a bona fide resident of District "G." A candidate for Place No. 11 may reside in any portion of the city."

"Shall the existing Charter of the City of Dallas be amended by adding thereto a section to be known as Section 341, which shall read as follows:

Section 341. In the event the City Council is increased by Council Places 10 and 11 by authority of the Charter amendment voted at an election held April 3, 1945, the said places shall be filled until the next regular election thereafter for Councilmen by persons meeting the qualifications of the Charter and its amendments, by majority vote of the Coun-cil elected at the election held April 3, 1945, and anyone who at the time of their designation by the City Council resides within the corporate limits of the City of Dallas as extended by consolidation and who is qualified to vote in either the municipality of Highland Park, University Park or Preston Hollow at an election held April 3, 1945, on the question of consolidation with the City of Dallas, shall be deemed to be qualified for appointment under this amendment, if said municipality in which said person so resides at said time is consolidated with and made a part of the City of Dallas in said election of April 3, 1945, but thereafter said Council members shall be nominated and elected by the qualified voters of the entire city as provided in the Charter of the City of Dallas and any amendments thereto."

"Shall the existing Charter of the City of Dallas be amended by adding thereto Section 342, which shall read as follows: Section 342. The zoning jurisdiction of the City of Dallas, when so determined by ordinance duly adopted by the Governing Body, shall extend to and include all territory within three miles of the corporate limits of the City of Dallas, provided such territory is not within the corporate limits of any other city, town or village.

The procedure now or hereafter required by state law relative to the adoption and fixing of zoning regulations, shall be observed likewise in the adoption of any zoning regulations concerning property beyond the corporate limits."

"Shall the Charter of the City of Dallas be amended so that the City of Dallas and the Town of Highland Park shall be consolidated under one government so as to include within the boundaries of the City of Dallas the territory of the Town of Highland Park for municipal purposes only, and taking the name of the City of Dallas, but without any consolidation or annexation of the Highland Park Independent School District, or any part of the territory of said district for school purposes."

"Shall the Charter of the City of Dallas be amended so that the City of Dallas and the City of University Park shall be consolidated under one government so as to include within the boundaries of the City of Dallas the territory of the City of University Park for municipal purposes only, and taking the name of the City of Dallas, but without any consolidation or annexation of the Highland Park Independent School District, or any part of the territory of said district for school purposes."

"Shall the Charter of the City of Dallas be amended so that the City of Dallas and the Town of Preston Hollow shall be consolidated under one government so as to include within the boundaries of the City of Dallas the territory of the Town of Preston Hollow for municipal purposes only, and taking the name of the City of Dallas, but without any consolidation or annexation of the Highland Park Independent School District, the Vickery Independent School District or the Walnut Hill Common School District, or any part of the territory of said districts for school purposes."

My dear Mrs. Trexlerr:

It was good to have your enthusiastic letter of the 28th, and to know of Mrs. Row's election as president of the Dallas League. Though you will no longer be president, I hope that you are remaining on the Board, and that you will therefore be keeping in close touch with all that the League is doing.

I am delighted to know of the successful year which you have had.

This group will continue throughout the summer. Take advantage of this alert, timely discussion group in a cool meeting place. If you attend once, you will want to be there every time the group meets.

The State League Convention --- held in Fort Worth, May 13-14.

Official delegates from the Dallas League were Mrs. E. R. Brownscombe and Miss Edna Rowe. Others who attended were - Mrs. Martin Row, Mrs. M. B. Bogarte, Mrs. M. L. Miller, Mrs. J. B. Perry, Miss Sarah Daniels, Mrs. J. E. Robertson, and Mrs. Jos. Willetts.

Greatest effort for the coming year will be placed on the organization of new Leagues and increasing membership in established Leagues. League force with legislators is in direct proportion to the local Leagues operating in districts from which legislators are elected.

The Dallas County League raised its pledge to the State League to \$550. for the coming fiscal year to help meet an increased state budget.

Program for the coming year includes again, work for a secret ballot, and if the state board decides the time is right for it - work on Texas election laws. Mrs. Alice Kilman of Houston, state legislative chairman, will continue work on the secret ballot campaign throughout the summer. The state board now includes representatives from each of the thirteeu leagues in the state except the two college leagues.

Dr. Robert Raible of Dallas, was the dinner speaker for the convention. Following his address there were reports on the work of local Leagues in the United Nations Campaign which were an inspiration to everyone who heard them.

News Round-Up:

Our League President, Mrs. Martin Row, was caught up in the rush of travel and carried to California where she is visiting relatives.

Congratulations to Mrs. E. H. Hulsey, our Vice President, who received her degree from S. M. U. in June. She is at the League helm while Mrs. Row is gone.

Hats off to Mrs. J. B. Perry and her finance committee for putting our finance campaign over the top!!!

It is with genuine regret that we learn that the Clarence Nichols family are moving to Washington. We'll miss Theda's enthusiastic assistance with all kinds of League jobs.

Many thanks, Mrs. Bernard Fulton for the time and effort you spent arranging the details of the Quizz of Two Cities program in which the Dallas and Fort Worth Leagues of Women Voters participated.

Discussion group --Current discussion COMMERCIAL AVIATION

Chairman--Miss Edna Rowe

This group will continue throughout the summer. Take advantage of this alert, timely discussion group in a cool meeting place. If you attend once, you will want to be there every time the group meets.

The State League Convention --- held in Fort Worth, May 13-14.

Official delegates from the Dallas League were Mrs. E. R. Brownscombe and Miss Edna Rowe. Others who attended were - Mrs. Martin Row, Mrs. M. B. Bogarte, Mrs. M. L. Miller, Mrs. J. B. Perry, Miss Sarah Daniels, Mrs. J. E. Robertson, and Mrs. Jos. Willetts.

Greatest effort for the coming year will be placed on the organization of new Leagues and increasing membership in established Leagues. League force with legislators is in direct proportion to the local Leagues operating in districts from which legislators are elected.

The Dallas County League raised its pledge to the State League to \$550. for the coming fiscal year to help meet an increased state budget.

Program for the coming year includes again, work for a secret ballot, and if the state board decides the time is right for it - work on Texas election laws. Mrs. Alice Kilman of Houston, state legislative chairman, will continue work on the secret ballot campaign throughout the summer. The state board now includes representatives from each of the thirteen leagues in the state except the two college leagues.

Dr. Robert Raible of Dallas, was the dinner speaker for the convention. Following his address there were reports on the work of local Leagues in the United Nations Campaign which were an inspiration to everyone who heard them.

REGULAR MONTHLY MEETINGS:

General membership meetings - 3rd Wednesdays Discussion group meetings - 2nd and 4th Wednesdays Board meetings - 1st Thursdays

Oct. 4 - Board meeting - Home of Mrs. Martin Row, 10:30 a.m.

Oct. 10- Discussion group -"Government and Our Minorities" Chairman, Miss Edna Rowe.

Have you ever attended a discussion group? Oh, you haven't time to go regularly and dislike hearing only one of a series on a particular subject? Then these discussion groups are your meat! Each discussion is complete in itself tho there may be a series on one subject. Come once, or once in a while (if you can't come regularly) for informed, enlightening stimulating discussion on current governmental issues. Those who can come regularly are especially lucky. One member, a business woman, takes her lunch hour to come to the meetings.

Oct. 17- Membership Tea.

Our first general meeting of the fall. Save the date and make a list of your friends whom you plan to invite. You will receive another bulletin the week before the tea giving you details of hour, place, program.

What's been happening in the League - -

The luncheon meeting in July with Felix McKnight as speaker was a humdinger. Eighty members enjoyed some first hand comments on the United Nations Conference from Mr. McKnight who was on hand to see and hear, and had the wisdom to assimilate the proceedings. If you weren't there, you missed one of our best meetings to date.

The membership committee reports over 200 paid memberships. Their work has been continuous through the summer.

The discussion group is stopped by neither rain, nor heat, nor the multitudinous jobs of its members. It met all summer long to keep its members abreast of the complicated problems confronting us through our government in these crucial months.

The year-book committee will have the year-books ready for the reassembly membership meeting October 17. Do let them know how much you appreciate the labor they put in checking names, addresses and phone numbers of members.

and Program--

Nov. 14 Government and our Minorities

Chairman --- Miss Edna Rowe

In our country where we boast of tolerance, minorities still present a knotty problem for our government. Come and learn about what is actually being done about it now and what should be done.

Oct. 24 MEMBERSHIP TEA

Arlington Hall Lee Park 3:30 till 5:00

A gay Hallowe'en tea-party where you will see your old League friends and meet our many new members. Food for thought and food for the palate! COME and bring a car full of prospective Leaguers.

PROGRAM--The Dallas County League of Women Voters Today and Tomorrow

A resume of immediate League plans and your part in them.

(Why the postponement of the date for this reassembly tea? Just after the previous announcement of the Membership Tea we received word of Miss Blythe's visit here (see above) and knew the general membership and new members too would want to know at once the plans for the League, National and local. So we postponed the tea one week in order to bring you results of the Institute as well as current local projects. We hope you and your guests can change your calendar for the tea without inconvenience.)

Dear Mrs. Fisher:

Thank you very much indeed for sending us the copy of your skit celebrating the 25th anniversary of the National League of Women Voters. We are delighted to receive material of this kind. Local Leagues are continually writing in to learn what other Leagues are doing, and it is always good to have imaginative experiences to send along to them. Please keep us in mind whenever you do anything that is unusual or especially successful. Somewhere along the line it will prove useful and stimulating to other Leagues.

Cordially yours,

SOMETHING NEW -- A study-action group on County Government.

An energetic, popular Know Your County group was held several years ago. The group was discontinued to allow members to assume emergency wartime jobs undertaken by the national and local Leagues. With the end of the war members are again ready to work on problems of local government. There will be a brief review of the work of the former group after which the group will proceed with: (1) the Dallas County Juvenile problem, (2) possible merger of city and county health facilities, (3) Needed improvements in Dallas County government possible under the Home Rule amendment. County government is at present the weakest link in the chain of government. COME and learn what you may do to help.

Important!!!

A 10 minute organization meeting will be held at 12:00, immediately following the general meeting at which time and place of meeting and program will be announced. Plan now to stay that extra ten minutes.

DID YOU KNOW---

Mrs. Martin Row, our president, returned from a month in California to gather up the League reins and send us forward at a gallop.

On November 8 an overflow board meeting of 28 people met at the home of the president, all members ready to put shoulders to the League wheel.

Tommy Brownscombe arrived ahead of schedule on October 5. Handsome and wiselooking, he will undoubtedly set the pace for his generation in active, intelligent participation in government. Pa and Ma Brownscombe are doing nicely, thanks:

The League congratulates Beta Sigma Phi, international sorority for young business women, on their choice of Mrs. John M. Hanna as first lady of the year. Her picture and an article about her appeared in both Dallas newspapers on October 28, 1945. She was chosen for her fine work with the War Chest, Y.W.C.A., Inter-racial Council and a multitude of other civic groups.

The League extends sympathy to Mrs. Allen Merriam on the recent death of her mother.

Our sympathy to Mrs. L. H. Bushong on the death of her husband which occurred a few days ago.

DALLAS COUNTY LEAGUE OF WOMEN VOTERS

January 2, 1946

Dear Friend:

We are writing this letter to leaders in Church groups and Civic Organizations to remind them that January 31 is the last day on which to pay their POLL TAX. The Dallas Co. League of Women Voters (a nonpartisan organization) is conducting its annual campaign to urge citizens to recognize their civic responsibilities by paying their POLL TAX.

In 1946 we shall vote for County officials, the Governor and all State officials, five District Judges, State Legislators and a Congressman. It is vitally important that thinking people be prepared to vote. The first step is: PAY YOUR POLL TAX.

May we ask you to bring these facts to the attention of your various Church groups? Perhaps you can arrange to have a notice carried in your Church Bulletin.

We are circulating fliers like the enclosed. We shall be very glad to send you any number you can dispose of to advantage.

Sincerely yours, DALLAS CO. LEAGUE OF WOMEN VOTERS Committee: Mrs. M.B.Bogarte T-1281 Mrs C.P.Brannin T3-5942

278 letters sent to members of Pastors' Association and Council of Church Women

ADS (2 by 1) placed in 8 County papers - two issues each

80 colored placards placed in windows of chain food stores

60 black and white placards placed in windows and by event elevators, e etc. of department stores downtown

Department stores noted in their advertising that the LWV urge payment of poll tax

Urged League Speakers' Bureau to comment on campaign when possible.

Cannot take full credit for Trailer appearing in Movies but one committee member spoke to Mr. Hoblitzelle's secretary about it.

Same is true of radio comment but we notice commentator uses our phraseology.

Original committee very small but have definite count of 27 women who did particular jobs.

Because the placards were made by Technical High School students, we paying for some material, the cost of the campaign will be less than \$70.

Our National Program

Late in 1945 Leagues all over the country were asked to send to National League of Women Voters their suggestions for the plan of work for the coming two-year period. A compilation of those suggestions was made, and those most often requested were combined and have been returned to us for approval at our March meeting. They will then be ready for consideration at the National Convention in April. Read them and think about them so you will be ready to vote at the March general meeting.

- 1. Full U.S. responsibility for strengthening the United Nations Organization
- 2. Strengthening the order and proceedures of Congress, including support of a constitutional amendment changing the proceedure of approval of treaties to a majority vote in both Houses.
- 3. Support of economic policies which promote maximum production and employment.

WHAT'S GOING ON

State Board Meeting was held February 5, 6, and 7 in Galveston at the Jean LaFitte Hotel. Miss Sarah Daniels of the Dallas County League attended.

State League Convention -- Hotel Galvez, Galveston, Texas. April 3, 4, 5. The Dallas County League may have as many as 25 representatives. Plan now to go!

By request we print the following list of schools mentioned by Mrs. Ruth Hill Barr in her talk for our January 16 open meeting.

"The following schools in Shanghai would be very glad to receive magazines which could be used by students and (or) teachers. Shanghai has been cut off from the rest of the world for four years and there is a great dearth of reading material. People there are eager to know what has been going on. Magazines with pictures will be especially welcome. Bundles or rolls not weighing more than four pounds can go at book rates and can be sent without any formalities at the parcel post windows in either the main post office or the terminal annex. Bundles should be tied with string, not sealed."

Mr. G. D. Chen, Prin. Did you meet MRS. LOUISE LEONARD WRIGHT??? Were you one of the fortunate 120 to hear Mrs. Wright at the luncheon on February 26? If so, we know you will treasure the experience---

We were especially glad to welcome so many guests from the Fort Worth and Houston Leagues.

There is a story behind Mrs. Wright's exquisite hat that you will enjoy --- In Paris Mrs. Wright was taken by a friend to call on the famous hat designer, Mme Suzy, who has been tireless in working for the participation of French woman in government. Mrs. Wright wore what she thought a very becoming hat on which she had had many compliments. They had already removed their hats and coats when Suzy came in. During their conference they discussed Mrs. Wright's plans for her stay in France. Then came time for departure, and Mrs. Wright picked up her hat to put it on. Suzy looked once, threw up her hands and gasped, "Occo, non, non! C'est terrible! C'est terrible!" and presented her with the dream hat you saw at the luncheon.

Roses-and-violets to the committee for the luncheon who telephoned, made reservations, fixed decorations, handled publicity, and made all other arrangements:

April 17th: General Membership Meeting

Time: 10:30 to 12:30 Place: Cokesbury Book Store Speaker: Lewis Bernays, O.B.E., British Consul General, Dallas "Britian's Economic Outlook."

Thirty-two years in the British consular service is but a part of Mr. Bernays' amazing career as student, businessman, diplomat, and teacher. He was born and reared in Moscow and was educated in London. He has lived in many parts of the world from Bombay, India to Portland, Oregon and his work has ranged from importing British goods into Calcutta to teaching political science in Northwestern University. His splendid service in the British consular corps was formally recognized when, in 1929, he was decorated by his king as an officer in the Order of the British Empire.

This is a singular opportunity to share in Mr. Bernays' rich knowledge of British economic and political life.

Guests: Members of the foreign consulates resident in Dallas.

DID YOU KNOW THAT OUR CONVENTION DELEGATES ARE ACTRESSES?

In Galveston delegates from all over the state were asking the same question -- "How shall we raise money?" In answer, each League presented a skit showing how it could be done. Naturally, most skits were as serious as the matter of money-raising, but Dallas delegates decided to have some fun and show "How Not to Raise Money". Should you chat?--Should you flirt?--Should you Sulk? No, indeed!!! That's the way to get insulted, not to get money. Some of the delegates were in stitches over our act, others were fairly "rolling in the aisles", but all were set to thinking about the ways to carry our message and get financial support.

Here are the people who get credit for the liveliest skit and who had the fine good fortune to attend state convention:

THIS IS YOUR CHANCE to have a part in deciding our national program! APRIL 30-MAY 1 NATIONAL LEAGUE OF WOMEN VOTERS CONVENTION KANSAS CITY.

MISSOURI

What issues need National League support for 1946-48? The national biennial convention of the League of Women Voters meets April 30 thru May 1.

Here is your chance to have a voice in determining what line of study and action we will follow for 1946-48. Texas has a right to 18 voting delegates. Eight more representatives are needed to bring our delegation to full strength.

This is your opportunity to meet Leaguers from all over the United States, to learn how they tackle their problems, to see first hand how our national organization works, to have a wonderful time, and to come back to Dallas inspired by the whole, powerful national force of which your chapter is a part!

Plan now to attend the Kansas City convention and give Texas League its full share in forming 1946-48 policies.

Mrs. Martin Row has full convention details. Call: L-9307

We will be glad to give any help to any league which wishes to undertake a campaign that we can. The first hundred years are undoubtidly the hardent!

Elizabeth C. Perry Finance Chairman

Dear League Members:

Cordial greetings to you all, and thanks for your splendid work and "esprit de corps" while your president was attending the United Nations Conference in San Francisco! With the aid of Anne Johnstone, our National Consultant, I was able to attend three sessions a day for the entire last ten days that marked the thrilling closing chapter of the U.N.C.I.O.

My first impression was of CIAMOR; glamor of setting, glamor of state props, glamor of personalities, and glamor of subject.

My next impression was that of the Sincerity and Simplicity of all the delegates. This was true of the presiding officers, Morganstierne of Norway, Smuts of South Africa, and Lord Halifax. It was true of Evatt of Australia making his most dramatic and persuasive speeches. It was true of the delegates from the Notherlands, Peru, Columbia and New Zealand, as they told why they voted for or against the controversial veto power. All agreed finally that it was a "Charter with the veto - or no Charter". There was gratitude on the part of the smaller nations for their large share of responsibility in making the Charter, and there was confidence in the larger nations for the moral obligation of guaranteeing peace and in working together.

My third impression was of Success. Every delegate glowed with confidence and promised his enthusiastic support. They mentioned the importance of erasing their early differences by getting together and exposing their problems and finding ways of agreeing. Often they argued over nothing but grammar. They all agreed that though the Charter was not perfect in form, the intent was good. They agreed that secrecy was a poor policy and just as National Parliaments are open to the public so should the World Assembly b9. When every delegate rose in final unanimous vote for the Charter, Lord Halifax said in solemn tones, "This is the most thrilling moment in my life and in the lives of every member here present!" This was surely true, for the thrill of a successful closing hovered over us all.

On the final night I met many of the delegates and with varying impressions: Russia seemed young in world diplomacy, young and frightened.

England was not at all as supercilious as her delegates often appear.

Many of the South American delegates were known for their advice on International Law.

Evatt of Australia was the real leader of the smaller nations.

Stettinius was the most charming of all the delegates. He was famous for ontertaining, which played an important part in mutual understanding. He received all the official thanks in the most gracious manner.

Vandenberg was the most often quoted by different speakers who gave him their warm agreement.

Stassen seemed to be the star. He was constantly mentioned by delegates and consultants as having been the one to give the most real leadership on all crucial matters.

I am grateful for the opportunity of glimpsing so impressive an assembly, of seeing such an objective design of progress in human civilization, and in realizing how important a part we Leaguers had in creating a background of favorable public opinion. But vanishing war depends not on the words of a Charter but on the spirit of those who abide by it, and in the confidence and good-will of all men. There is still a great challenge to each one of us in our United Nations Campaign.

As our year-book goes to press we have a total membership of 200. Just think of the influence 200 women armed with facts and with one purpose, good government, can wield in a community. It stimulates the imagination as we start on our year's program. There is a way in which we may all participate, if only to keep aware of significant events and in conversation to interest others. Women everywhere are just as anxious to work for peace as they were to do some kind of war work.

Thank you for your wholehearted support of our big and vital job:

Sincerely yours, Presidenty abeth and Row

Have you paid your dues to April, 1944?

by the end of the first week in January.and In the meantime we felt that it was necessary for the Leagues to have material in hand. The Memo is that information.

RE. Speaker from the state organization: We do hope to have a state visitor go to every League before April. Tenetively we had planned to have Mrs. Gill make the trip . She has been ill off and on for a year but seems to be better now. Would you be willing to have her visit Pallas? The list of the state board is printed in the Lone Star oter. There have been two new appointments, Mrs. Strong of Austin G and O and Legisl ative chairman and Mrs. Dodge of Port Authur as a Director. We have not filled Mrs. Fuller's place as yet. We had two people in mind from San Antonio but both are out one not well enough and the other is employed. We have tried to avoid giving the local League presidents the state responsibility knowing how much time and energy each one puts into the local "eague. The ideal arrangement in my mind is to have the local presidents as material for the state board to draw on after they have filted xtheirxfinished their term of office.mm We are just getting to that point and I believe we can develop a strong state board . It will take time but everything wothh while does. If we can continue to have a presidents council once a year to should give the people doing the job more real help than they could get by sitting on the board and at the same time we will be developing a state board that can give the local Leagues real help.

I have checked my calendar and find that the 20 is the week preceeding the board meeting. Mrs. Gill could possibly be with you on the 20 then go to SanAntonio for Friday and Saturday then to Austin for the Board meeting. You **xxx** can understand why we have to figure trips serving several "eagues rather than trips out to individual "eagues. Frankly I am unhappy about the state budget now. We would be in beautiful condition if the Handbook item of \$250 didn't stare us in the face. It is not included in our budget from pledges but if the books do not sell the bill has to be metthrough the pledges.

Re Dr. Melvin's request: Since your letter came I have had one from Virginia Bennett re sending a list of local League presidents to Cotton Council. I mention this to give you and an idea of how difficult it is to make decisions re such procedure. I personally believe that both of these requests are good. I also know that it would be good for more League members to have all the information they can get on all important issues of the day. I do know why the League on the National level has a policy of never giving the League membership list to any organization. There are many such requests and before long we would spend a lot of time deciding when to send the list and when not to dot it . And there are some requests that cannot be favored. There is also the danger of having groups say you gave it to so and so and why not to me. The most important reason in my mind why it is not desirable to give the League list to other organizations is that the League presidents find it difficult to despense the League material with much other material going to them endorsed by the state League we might find our Leagues

having difficulty in deciding which of all the mate rial to choose since it is not humanely possible to do it all.

I believe it is necessary for us to Heep our eyes on the ball to accomplish a given task. We have several. Personally I do not believe it is possibly for us to chalk up successes on any League level unless we stick to the task in hand very closely. We have a program set up by the Leagues on the state level for the state League to follow, on the National level for the national League to follow and the local programs in addition to that. No one knows better than you of all our committments today. I do not see how we can add others to the list during the year. I do not think it would be fair for us as League leaders to have other materials sent to the League presidents unless it tied in with our immediate program. As individuals I hope all of them have all the information they can get. The League however does have areas of action and program set up for it by the councils and conventions and I wouldn't want the responsibility of adding to those committments as an individual or of confusing the tasks at hand by having lots of other material go to the Leagues at my sanction.

I do hope you see my point of view. I do not know hew many requests have come to me this year for the League to participate in or dispense material for but there have been several. No doubt there will be more for many government agencies and other groups see the value of using organizations already established to reach more people with whatever program they are responsible for. I think it is well for many women's clubs to do the things they are asked to do. The League is not a club and the membership decides the program it will support. Ours is decided until we hold another convention. I hope we can point with pride to a few of our selfassigned tasks as well done.when that time comes.

May you and yours have a very happy Christmas. Happy in the fact that more people understand that they are important in a country like ours and by that understanding we have hope to believe we can keep what we have and improve it and pass it on to the generations to follow us.

SARAH DANIELS ATTORNEY AT LAW THOMAS BUILDING DALLAS, TEXAS

Friday

Dear Novella:

or Mi

We are all so distressed to hear of your difficulty. With all you have to do, a roof is really a necessity. I felt particularly bad when I realized my letter yesterday seemed almost whining. Don't worry about us--we are off to a fine start, and will keep at it.

We know some men in Ft. Worth who might be interested in this, and it seems to me a wonderful opportunity for Bradner to start something over there. If she could head a squad of tenomade up of both men and women, it might serve as a nucleus for a league. She didn't take to the idea, and I hate to push her.

Mildred will be home in the morning, and we will be so glad. We have missed her very much, but it has been good for me because I had to quit leaning.

Again, I want you to know that Anna Laura was wonderful here, and as the idea develops, I know she was more help than it appeared at the time. We had the feeling that we definitely discouraged her--we do have a bunch of realists.

Let us hear when you can, and best of luck in your repairs.

Much love, Sarah

Betty Ann Row particularly asked me to tell you how very sorry she is for you.

AN INVITATION TO THOUGHTFUL WOMEN

For several months the Dallas County League of Women Voters has been studying the subject of Post-War Reorganization. The more we studied, the more impressed we became with the magnitude and importance of the subject and with the very obvious need for a nation-wide understanding on the part of the American people of the practical problems involved. Only by an intelligent public opinion can repetition of past mistakes be avoided.

With this conviction in mind, the Dallas County League of Women Voters called a joint committee meeting, December 16, 1942, which was composed of several of its own members and representatives of Dallas churches of different denominations. The purpose of this meeting was to discuss the continuation of Post-War Reorganization study, inviting any Dallas woman who chose to participate, such study to serve primarily as training for potential leaders who would go back into their own organizations and start other such discussion groups.

This special joint committee took action as follows: Beginning in January and continuing through May, 1943, on the second and fourth Wednesdays of each month at 10:30 A.M. on the fifth floor of Cokesbury's Book Store, there will be held a series of group discussions on the Practical Problems of Post-War Reorganization. Mrs. Bruce Melvin of the League will act as leader, and participation is urged by all. Mrs. Melvin's phone is J8-8728, and she will furnish any further information.

The first meeting will be January 13. Won't you accept this invitation and extend it to as many as possible?

KNOW YOUR COUNTY

How is Dallas County governed at present?

It is governed by a commissioners court consisting of a county judge and four commissioners. The county judge is elected by all voters in the county and one commissioner is elected by each of the four districts in the county. Each is elected for a two-year term. The county judge also presides over probate court, lunacy court, and sits on the juvenile board.

Other officials who are elected by the people are sheriff, district clerk, eight constables, ten justices of the peace, district attorney, tax assessor and collector, public weighers, surveyor, county school superintendent, county clerk, county treasurer, two judges of county courts at law, one judge of county criminal court, and eight district judges who are a part of the state judiciary system.

How are county funds collected?

A little over half of the county receipts are from real estate and personal property taxes. The tax rate in Dallas County is 72 cents per \$100.00 assessed valuation, which is 55 per cent of real value.

Other sources of income are occupation taxes, highway licenses, beer, wine and liquor taxes, fees to county officers, state felony fees, state district attorney fees, refund on phone calls, rentals on cigar stands, refund gasoline tax, jury fees, and highway fines.

Total receipts for 1942 are expected to amount to \$3,784,217.81. Estimated income from real estate and personal property taxes is \$2,111,998.00.

How are our funds expended?

Out of every dollar collected for the year 1941 the state law requires that 34 cents go into the general fund, 29 cents into the road and bridge fund, 29 cents into the interest and sinking fund, 4 cents into the jury fund, 1 cent into the permanent improvement fund, 1 cent into the county school fund.

Included in the general fund are general government salaries, judiciary, education, welfare, protection to persons and property.

Is our county government effective?

Not entirely. It is unwieldy because there are too many elected officials and there is too great a distribution of authority, and because each commissioner feels responsible primarily for the interests of his own constituents. To be specific: There are four separate sets of equipment for road building and four separate crews for maintenance. For the administration of justice we still carry on the pay rolls eight constables and ten justices of the peace who function in small towns and throughout the city, although the same service could be rendered by a smaller number of officials. Public welfare appropriations lag far behind the national standards.

How can we as voting citizens make our county government more effective?

- 1. Know as far as possible the qualifications of candidates and what they stand for.
- 2. Vote at every election.
- 3. Give thought and study to possible improvements in the administration of our county government.

REORGANIZE YOUR COUNTY

Why should Dallas County government be reorganized?

Because now there are too many elected officials and too little coordination between them. Because commissioners elected by districts are often tempted under pressure to look after the special interests of their own districts. Because the present system encourages patronage and discourages employment of trained office personnel.

Is it legally possible to reorganize Dallas County government?

Yes. The people of Texas by a constitutional amendment adopted in 1933 made it legal for a county with a population of over 62,000 to set up any form of government suitable to its needs. This is what is known as home rule. In 1935 the legislature passed an enabling act outlining the procedure for the change.

What would be the form of government under home rule?

Under home rule there could be almost any form of government. To be effective, however, it should provide for centralized authority. The voters might choose a county manager form of government. Under this system commissioners would be elected at large to determine government policy. The commissioners in turn appoint a trained county manager, and he appoints department heads on the basis of their qualifications to perform efficient service for the citizens. For example, officials now elected who might be appointed are county clerk, county tax assessor and collector, sheriff and constables.

Later, if desired, a merger of city and county might be voted.

Constitutional officers who must continue to be elected regardless of the form of county government are district judges, district attorney and district clerk.

How would Dallas County profit by home rule?

Dallas County would be more competently administered. Higher officials would be chosen on the basis of their qualifications and office personnel would be chosen by civil service examinations.

Patronage would be eliminated. Office personnel would not have to campaign nor make financial contributions to a kitty for the reelection of Court House officials.

Elections would be simplified and election expenses lessened because there would be fewer elective offices to be filled.

The tax dollar would go further because a centralized budget and accounting system would tend to reduce waste.

The tax rate might eventually be lowered as a result of efficient management of county funds. Monroe County, N. Y., which includes the city of Rochester has reduced its debt in five years from \$16,500,000 to \$9,735,000. This was accomplished as a result of county manager government.

THE SECRET BALLOT BILL

The Texas League of Women Voters and the Dallas County League have both directed their efforts to the passage of a secret ballot bill for Texas. Every member of the Legislature has been interviewed, publicity for the bill obtained in many newspapers, letters written and so on. The Senate Bill 48 and the House Bill 36 may be called at any time.
