Dear Mrs. Caldwell (you spell YOUR name wrong),

There are only 250 How to Write in the state office which we are sending you. It will be a decision of the state Board at the January meeting whether to re-order and up-date. If you need the 50, please write again after the 15th of January and I'll let you know the decision.

Mrs. T. M. COLWELL

Everyone wants to spell my name the way you spell yours--it would be much easier for me to change than to listen to the complaints I get when I tell people they spell my name incorrectly.
