

Helen Sept 16 1887.

My Dear Mother,

I arrived
very safely ^{here} as usual. And I am
very well. I don't want to come
here next Term because I don't
like the school at all. I don't
know whether Mr. Everest will
let me leave off Latin or not
because he has not said
anything about it yet.
Coming ~~down~~ ^{to} up in the
cars the boiler of ~~the~~ engine
got so hot that they ^{was}
afraid to put any water
in it so we had to ~~stop~~ ^{stop}
a hour pretty near till they
fixed it so that made ~~it~~ ^{us}
behind time but we arriv-
ed very safely. Please
answer as quick as possible

Good-bye all at home. next
letter I write I will write it
better than this one because
I wanted to be around
with the boys and it is most
bed time now so good-bye.

Your affectionate son
