My dear uncle John:-
Your letter came
some time ago but you
know procrastination
that old thief of time
will creep in
Yes it has been some
weeks ago since your
letter came & I will not
attempt to answer your
letter this time as I haven't
it at hand now
Well I have sold my house
& the deed is written

got my price & am sat-
 isfied because I will
 it that I should sell this
 place & not to rent it
 I didn't understand
 your last ^{letter} in regard to
 selling May be I didn't
 write plain The place
 was left to me to sell & receive
 the money as I saw best
 Some of the money I'll use
 in building then I in-
 tend putting aside \$1,000
 a piece for the educating
 the children if they
 will take it

I intend giving each of
them a thorough education
if they will take it
Bill move in my new
house the last of this month
I want to move before cold
weather & put the children
in school the first of Nov.
Bill, Allen & Mattie have start-
ed to school out here to
Lucie May Dargh (you
remember her I guess) & the
children are so much
pleased I put them in
out here so I could start
them as soon as we moved

in town & wouldn't have
to wait until Jan. to
start them

Have disposed of most all
of my cattle-hogs & horses
have one horse one cow eight
hogs yet to sell but guess
I can sell them with out
any trouble by the last
of Oct.

God has been ed good to
me & I am trusting Him
for all I can see God's loving
hand in all things & I am
looking to Him for guidance
for I can do nothing with

over

5.

out Him.

Gade? I must write to him
soon. How are Pamela
& the children? Guess the boys
are all in school.

Hope you are well.

you & where you are station-
ed to preach. Will be glad
to hear that you are pleased.
May God bless & keep you
for His work alone.

We are all well except Mamma.
