Dear, Everyone,

June 23, 1977

I am working on a belt out of macrame in arts and crafts. I have made a buckle out of leather and I have done about 2 ft of the ~~belt~~ belt. Mother I think I needed the other blanket. Last night it poured down rain and they had a mud slide but I didn't do it. I ~~had~~ have only lost one thing so far it was a wrist band I made of leather. Tonight we go on our cabin supper. I will write you soon except on a letter because this is my last post card
Love,
Ray
