Dear John:

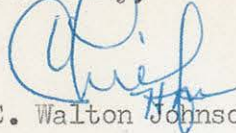

It was certainly good to receive your letter of May 26th, with your and Howard's applications for Tsali enclosed. I am especially glad that you and Howard can be with us. Please do all you can to get Dick McIlhaney and his friend to send in their applications. I have been holding reservations for these boys and hope they will sign up before all periods are taken.

Are you boys planning to bring your car this year? If so, we have a shelter under which you can keep it now. Since we can accommodate only four cars in this garage shelter, we have to make a nominal charge of \$1.25 a week. We can not afford to build garages just for counselors. If we did, we would have to accommodate 15 or 20 cars.

The letter of instructions about clothing and equipment will go out about the end of this week. None of you boys should buy anything until you get that letter.

Looking forward to seeing you soon, and with best wishes, I am

Cordially,

C. Walton Johnson
