Dear Mr and Mrs Wickham -

John returned from the canoe trip safe and sound Saturday evening. From all appearances he must have had a very delightful time, and he hasn't stopped talking about it yet. He has acquired a healthy tan and a good appetite, and as far as I know he has been in perfect health.

It has been a real pleasure having John in the tent for the past five weeks. He has learned to be a good camper and is developing a teamwork spirit. I think he has enjoyed every minute of his stay here at Sequoyah and has gained much from it.

I am looking forward to meeting
you Wednesday when John leaves, and
hoping to see John back with us next
year.

Sincerely yours,
