

Loanham Md. Oct. 11-28

My Dear Ella: Your letter of Sept. 2⁹th mailed Oct. first reached me in due time. And I was glad to hear from you. I am sending you some pictures I think you will be glad to have. There may be some duplicates that Ruth might want. Ethel furnished nearly all of them, the ones she gave me are marked with a X on the upper right-hand corner. She sent the three in one of Ruth to Don Collins. Am sorry the Begonias died, they were put up too long before you started home. Did your honeysuckle live that you took off of mine? It was given to me as a honeysuckle and Ethel says it is trumpet honeysuckle.

I will put some seeds in this, they will be labeled. We have had some frost in spots and the woods are beautiful. Poor little Francis has a burnt arm and the other day he fell off our back porch and cut a gash up high over his left eye. nearly if not quite an inch long.

and he has another cut on the
inside of his mouth.

Bert & Ethel are going up to
Philadelphia again Saturday
to be gone several days, Hansel
will take ^{me} down to Dixie's Saturday
night and the plants will have
to take care of themselves.

Will stop now and fix the seeds.
I will send you some begonia bulbs
when they are old enough to drop
off. Here a picture of your mother's great-
great-grand-child. Thought you might
like to have it. The little buttons are
for Ruth if she can use them.

Yesterday morning I filled my
lamp then knocked it onto the
floor and bent it so the chimney
stood at quite an angle. I thought
it was ruined and told Bert so, but
he took it straightened and bought me
a new shade (you know the other was
broken) and now my lamp is as
good as new. This is a lovely
day. I have to hurry or won't get this
ready before Bert goes. God bless you
and lead you into all truth. Love to you
you in abundance and some for my friends.
