

Dallas. Wednesday.

Dear Cousin Ella:--

Just a note to let you know how much I appreciate your kindness in sending me that bottle of eye medicine. It arrived here o.k. some time ago but I just simply haven't had the opportunity to ~~let you~~ write you. I have been snowed under with work and it seems that I haven't had an evening to myself in weeks.

I had reached the point where the eye "dope" was an absolute necessity. Too much strain on my eyes has given me a great deal of trouble and they never were any too strong, ~~anyway~~ anyway.

Hot weather is coming on us in full force and it makes me long for the gentle sea breezes of Galveston. I hope I get a chance to take a good vacation this summer and run down there for a week. But I hardly think that it is likely as I am tired up with so many magazines and outside papers that it will be hard for me to get away. I am writing for one newspaper (besides the Times Herald) and ten trade publications. It keeps me on the run most all the time.

I suppose Ruth will be back pretty soon and of course you will be tickled to death. I don't blame you, either, for Ruth is a mighty sweet girl in SPITE of the way we fussed all last summer. I have been trying to get a chance to write her, too, but it seems almost impossible.

Grandma, as you perhaps know, has gone to Omaha. She left about two or three weeks ago with Mrs. Jones. Grandma, I think, intends to return to Dallas this November.

Give my regards to everybody down there that I know.

I will write a longer letter when I get a chance.

Sincerely,

Robert
