GENERAL OFFICE
UNION STATION KANSAS CITY MISSOURI

CLOVIS NEW MEXICO

My Darling Sweetheart.

Just waiting for my train to go home. As I pass through Mule Sho, I will admit my glasses and try and look about nine miles and imagine that I see you. "So near yet so far".

The patient I came to see died last night. The doctor here had told the family 3-4 days ago there was no hope for the man but they insisted that I come to see him.

I was up all the night before I left Lubbock with the city for that was shot. I suppose you heard of it before you left Lubbock. Write often to me who loves you dearly.
