enclosed envelope.

⊗ We have received bonus
money on 2 + 3 of all
the above I believe

They sent me \$32.30 on 2 + 3
mine this morning

It is snowing here, what do
you think? - Q. I. has been running
the Trip some. He thinks the values
are not stuck now. He is due to have
a low temperature on 24 tonight.

Will be sure to have everything drained
Dor & Bill ate soup with us last night.
He had lots of fun. Bill is quite interesting.

Doubt know nothing I so will close.
If you should get to Ft Worth, see the Loveless
without fail. Mrs. Barham has been with them
for years and is sorta like one of them.

Love
Mather
