

This is the best I can do for  
paper gets at a time if used  
up

Friday Aft: Still in bed but no temp.  
just feel weak and "no account."  
It is a week to-day since I have  
heard from you. And I told you  
to be sure and let me know  
how you were. I would tele-  
graph but I can't afford it -  
unless it were necessary, so I'll  
have to "tough it out." I can't im-  
agine why you have not let me  
hear from you, if you were too sick to  
write - I certainly would hate to think

that - in all that bunch of nine hun-  
dred girls, and I don't - know how  
many teachers, you didn't - have a friend  
you could call on to write - your mother  
that you were sick. It is hard on  
me, to say the least, - Mr. Springer's  
father died yesterday and is to be buried  
to-day - just - saw it - in the paper. Found the  
lost - index - Mr. Kenner gave a ten minute talk  
before services 5 night. - W. & Raymond were  
at A. Y. P. O. don't - know if they stayed to church, I  
stayed with the little baby while the Mrs. Meyers  
went to Aux. - Mrs. Irvine asked to be re-  
membered to you - Marie J. read a clip -
