Dear Dear Ruth -

When I look at your sweet little letter, and see how long ago, it was written, I really am ashamed I haven't answered, but honey it isn't because I have forgotten you, cause if I had written as often as I think of you, you would have so many letters, you would love to get some one to open them - really - But I have been busy - and then my "sweetie" has been real sick I had to get Dr. Dr., he is lots better now, only I don't think he looks very well, then you know how time flies, Dr. Dr.

time I'd start to write, some-
thing would interfere -

Julia's address
is, 5781 Mc Pherson Ave - St Louis
and Carrie is with her, she
was sick & had to leave Wash-
ington so is spending a little
while with Julia.

Surely wish
you could have been here at
the Service Flag service Dr. S.
preached a beautiful sermon
we have 36 stars. I do hope
all will come back. Dr. S. preaches
at Abner to night, the com-
mencement sermon and
Mr. J. W. Johnson at our church.
I am not going, it is rain-
ing and I don't believe I
want to get as wet as you
did, now "Ruf" you take
good care of yourself - I don't

won't you to get sick, any
more. Can you realize it
is almost the 15th and you'll
soon be home? We had a
very pretty Mother's Day service
at Sunday School to-day -
Mr Bagby + prayers, some lady
sang a solo, + Estelle H. Emiling
Hawley, recitations - On the
table was a bunch of white
carnations, they were divided
between Mrs. Poole + Mrs.
Knot - wasn't that sweet?

You remember
the little Mrs Poole, who
died, her mother came to
S.S. last Sunday with
the baby, the little thing is
so darling and looks just
like Mrs. Poole.

Honey please
excuse lopa, it is time

for B. V. P. N. and I want
will to mail this - Take
good care of your self.

Lots of love Emma

How do you like
my stationery?
