

Dear Raybob!

How are you?

I haven't heard from you in awhile. I hope you and yours are doing well.

We are fine. We celebrated Lauren's 1st birthday this weekend. It's hard to believe a year has already come and gone.

Rick called Tina to tell her he lived here now but nobody has seen him.

Have you gone on a vacation? We are going to San Fran to visit Eric (Noel's little brother)

So, this birthday is a really big one!?

Hope It's Happy .

for a week. Do you plan to come here anytime soon? Let us hear from you!

Take care!

Love,
Sarabeth
