Dear Ruth:-

Write me right away what train you will come on, and if you can, find out if it will come through Houston, as I want to meet you at the train and give you some wherewithall to buy presents for your friends with. I was delayed in getting in the voucher counted on, and only got it this morning from New York. Am not sending you any through the mails this time for obvious reasons. Can't you stop off here for a few hours, and I will pay your Interurbanage to Galveston?

This is Tuesday evening. If you can get a reply in the mails by Thursday I will get it Friday morning, and it will be in time to meet you. You should get this Wednesday morning.

Been busy as usual.

*Lovingly
Wilbert*
