Jan. 20, 1919

My Dear Ruth, I haven't forgotten you. I am so glad you had a nice visit home during the holidays and are well again after the "flu". Aunt Clara and Cousin Frank had it two weeks ago. I had to hear about that new niece of yours (your mama told us) what are they going to call her? I sincerely hope you won't have any more sickness during your college term. We are all well as usual with lots of love from

Grandma & Grandpa
