Dear Folks,

We are just getting ready to leave Houston. I am blistered till I can't move without hurting!

Saturday we saw the town and just messed around.

It is now Monday night and we are in Corpus. Getting ready to go see George Cape.

I put the gas tickets in too.

I wrote sue along letter and she can tell you what is going on if you see her.

~~Love~~

John

I will try to write a good letter
