

AIR MAIL-POSTAL CARD

Mr. John G. Wilkerson Jr.  
Camp Sequoyah  
Weaverville, N. C.

Lubbock, Texas

June 20, 1949

Dear John: First thing, are you using those courtesy cards to eat on? If not, please send them back to your Daddy as he needs them. I would send Howard some cookies on his birthday if I thought he would get any of them and if it is okay to send them. His birthday isn't next Christmas so I will need to hear from you by Air Mail. Check up and if it isn't okay I won't send them. I know he will be looking for something. Still no letter. Mr. & Mrs. McIlhane are eating with us tonight. We're having meat balls, spaghetti, green beans and salad. I still love you, but you are on the black list until I hear from you. Howard hasn't written either.
