Dear Ray,

Enjoyed being able to spend some time with you this week during Spring Break. Thank you very much for helping me with the videotape of Grandmother. We'd have never gotten it done without your help.

Practice up on your ping pong, and we'll play again Easter. Hope the rest of your semester goes well and that you have

fun planning your trip to Europe.

Enjoy your classes and your friends  
at Baylor while you can — you'll be  
graduating before you know it.

See you in three weeks.

Love,

Gordon
