Dear Ruth:-

I am enclosing the negatives you wanted. Hope it didnt inconvenience anybody so awfully much.

Write and let me know how the chicks get along, and if mamma can't get the beef scrap and alfalfa meal there let me know right away and I will have some sent down to her by express.

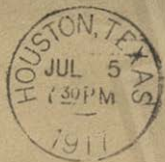

Kidsy phoned me this morning all by "hissself" and is all fussed up about recent occurrences. Am going out to see him a while tonight.

*Lovingly
Wilbert*
