

writes the bed room took \$1,
pretty - She thinks now she will
go - up about her suits - I am
going to see if I can't get a
Rohack to - meet my ^{Mr. Smith's} ^{brother} for one -
if - certainly would be fine - would it
if - I don't know how regular
Mrs. Roe is at Sunday School but
think she is pretty phlegm, and
also at Ladies Aid - I think she
in things being done in the reg-
ular way, but the way it seems
an "independent" committee and
I society - with they have a
B. V. P. W's ^{League} in the church
so the American are getting busy -
and next ago Monday they dis-
cuss the matter and Mrs. Roe
was appointed chairman of a com-
mittee to see about getting leaders
and organizing - Mrs. Harker told
them you work very much in-
terested in for work and had seen
a leader up there all the year so
Mrs. Roe said you were the very one
they were looking for, they work
not planning on doing anything
before fall so you will come in all

Tuesday Night -
Dear Ruth, - I'll start on
other letter so I won't be -
get - what I want to say - I
guess the people who see
you know will think you
learn from the "sticks" address
that summer, I had not en-
deavor to carried my letter
to the post office and address
it - then, with my pencil, you
know I never had found my
furniture piece - but was over
it - is gone - Ethen was over
a few minutes - this afternoon -
she asked about you, said
you never had answered,
then Ethen, and that she is
at 1321 - 24 st. now - I'd
ground mother gave him \$50.00
Mrs. Harker gave him a pair
silk socks, for the two gave
him a pair, I'd another
total him to buy himself a
silk shirt - he said he would
rather have a pair of shoes -

Esther thinks he looks awfully
bad and doesn't - think he
should go away this far to
school - Esther looks exactly
the same, the grey around
her is very pretty but Mrs. F
Harter says that is all there
is to her - looks, that is
her first - impression she was
sure and got Rebecca to
buy cards with them this
evening. Dorothy went out
with a box - Oyster & took
you later to the photographer's
went over to Mrs. Harter's
awful - Bernice had gone
& had tired out from yesterday
Mr. Harter was asleep on the
porch when out too - they have
the swimming lounge on the
porch you remember they
had it & up at Kid - a - way -
Mrs. Harter and J. Talbot
by themselves she told me
about Elmer, you know
he has a girl in San Antonio

and East Christina when
they sent his Christina's box
she gave him a bee holder
and it had two bees for
a picture and she put her
picture, two different - views
in it - Mrs. Harter said she
saw it - and Helen had taken
out one of them and put in
a picture of her and Mr.
Harter together that you took
out in the yard ~~before~~
to she said she was
pleased over it - I think
she would be happy if he
and the girl broke off -
Wednesday now - I have been re-
ceiving the shoes in Mrs. Hobbs's
room, Mr. Martin left - Sunday
night - in the pouring rain. Mrs.
Nelson has put her new orange
and three rings she had in her
pocket down in her bed room she
said that was the only way she
could keep them, Mr. Nelson wouldn't
have them packed away from the suits
do you remember it - was green, it -

right. ⁽¹⁵⁾ Wednesday night, after
prayer meeting, I knew what
Dora is going to marry on
the 27th of this month to
Raymond Turner now, what
do you think of that? I couldn't
help but be shocked although
I knew in reason they were
engaged, and positively I
don't believe he is grown -
he certainly doesn't look like
it. Miss Sadie told me, but
every body else knows it too.
Mrs. Tarrent was operated
on last Monday for appen-
dicitis, she is doing very
well they said to right -
The Millard baby is getting
better looking, it isn't quite
as fat as he used to be, she
takes him out all the time.
Marie Trigg ~~the~~ failed -
I don't know a thing about
it - only her name didn't -
appear with the others. I
certainly am sorry I'm afraid
they are going to flat out.

Did I tell you Gladys was
taking expression from the
convent? Mrs. Johnson was
here a long time, I don't
know whether she is still
here or not but there is not
as much to her as I thought -
Jack is in the United States
guess he will be home soon -
I knew Mrs. Cline went to
Baylor College, No I didn't
know Dr. Spalding was re-
lated to Dr. Bagby, by the way
I have heard several people say
that there was something
crooked about Dr. Bagby, but I
told them flatly I didn't be-
lieve it, but I think he has
some mental trouble I hope
will find some day - he never
did come back here, his father
sent to Tom Pace to have his
trunk sent to Brazil - Dr. S.
didn't like Mrs. J, and very
likely she didn't like him I
yes I certainly do wish Miss
Sadie would get married -
but honey that is one of the

impossibilities⁽⁷⁾ - I shall never
do it - we will just have to be
'long suffering' - You asked if
Ted didn't - I know he was
going to get through till the
last minute - He didn't
expect to get through at
all, Mr. James advised him
to take his examinations
and then what he didn't
pass on he could take over,
you know he was out of
school two weeks before
examinations - We all
nearly fell over when we
found out about it -

Thursday Aft. - I sat up till
12:30 last night - writing but
I couldn't have written all
if I had waited till to-day
Near the Postman -
