Dear Mother,

I got your letter today and was glad to know that everyone is still there. I was about ready to make a call and see how things were.

I will have plenty of room for grandmother because I am not going to carry any body except Grant Home. I ask EWings & they are going with Gordon so to heck with them. I a~~s~~nt going to bring any of them from now on. I am completely fed up with the whole gang of them and as long as I can get out of it, they can all go some other way. Jim Robertson and I are going to start coming home with each other from now on and taking turn about on cars, his one time and mine the next.

I haven't got ~~v~~ery much time so will make it short. The advertising for this week ~~has~~ been terrible. Everyone is going home and the advertisers ~~w~~ don't want to spend there money on advertising as long as there isn't going to be any one here to buy their stuff.

I had a statistics test today that was really a dilley. It was three leagal papers long and we had only one hour in which to do the whole durn thing and I didn't get finished. It wasn't too hard, but just too durn long.

I have got to go to my night class so will close. Se you about eight Thursday night if everything works out according to schedule.

Love,
