We have seen so much  
 our minds just won't  
 absorb anymore. The *Future World*  
 was spectacular and a  
 wonderful experience which  
 I'm so glad we could  
 have. I loved Disney World  
 and Epcot today was very  
 special. You just have to  
 see it to believe it. Daddy  
 and I wished for all 4 of  
 you. I know you will  
 see it someday. Have a  
 good week. Love, Mother & Daddy.
