My Dear Niece Ruth

Your card was quite a surprise to me, as we had sent nothing of the kind. I sent your card to your aunt Lucy and I hope she answered it. I sent you a nice guest towel, which I hope you received, but you did not say. I sent it several days ^{before} Xmas. Your aunt Lucy sent you a pin tray and John sent a handkerchief. Maybe Nat sent the package you got without any name.

Now, a word to your Mother,
Dear Ella, about that book of
brother's that you took home with
you; Tom & Jamie are very anxious
about it, and keep writing to me
about it. Tom says he wrote to you
and you have never answered
his letter or sent the book. Please
send it right away to Tom
Allen, Murfreesboro, Tenn
Box 7. Let me hear from you
soon. I hope you have found
out about the package.

Your Uncle Ruf is complaining
a good deal this morning. We
have such gloomy, bad weather.
Much love to you both, and your
children when you see them.
Affectionately, Aunt G.
