Dear Sir:-

We have your favor of the 1st. inst. ordering 25 cases Numsen's tomatoes; these we are shipping to you at 85 cents, being much under any figure we have yet made on this brand. We have some that we can sell at 82 1/2 but they are not Numsen's. We enclose herewith a special price for you on a carload of our Champion and White Swan flour in bbls; you will recollect that we expressed ourselves fully upon the subject when last we had the pleasure of a visit from you, and can only add that it would give us much pleasure if you will handle our brands, feeling as we do that in them we could give you better value than anyone else. You will observe that our prices are 60 days, which should be taken into consideration when comparing with those of other parties, who may quote for net cash.

We do not handle Ideal or President. We hope to have your order, and remain

Yours truly,

A. B. Frank & Co.
