

Thanks

A stylized 'Thanks' card with colorful letters. The word 'Thanks' is written in a large, bold, sans-serif font. Each letter is a different color: 'T' is purple, 'h' is yellow, 'a' is blue, 'n' is pink, 'k' is teal, and 's' is magenta. The letters are set against a white background with a faint, repeating geometric pattern of squares and lines. A small registered trademark symbol (®) is visible in the upper right corner.

Ray, I want to thank
you for the Get Well card and
visit at the hospital.

My health is improving daily
and I am feeling stronger and
extremely blessed.

Your friendships and loyalty has
been something La Vita and I have
both treasured. I am not trying
to embarrass you but you are
truly the kind of true friend the
Bible encourages. You are not a
fair ~~or~~ weather friend! You stick
around. Not just **a lot!**

When friendship can be a benefit,
but just to encourage and be
a friend Thanks!!! In His Name

Mark
